## \$130,000 In School Projects Planned

Include Tennis Courts,  
New Gym Floor; Board  
Voices Support Of Lee

Summer building and grounds improvements totaling \$130,000—including construction of three new tennis courts and resurfacing of driveways and parking lots at seven schools—were given tentative approval Tuesday night by the Granite City school board.

Bids are to be sought on the proposed projects, with final decisions to be based on the amount of the bids and available funds. During the meeting, Supt. Harold M. Kaiser and board members voiced concern in Administrative Assistant Earl Lee, and it was decided to set his salary at the next board session.

General improvement projects totaling \$25,000 were listed as including \$7,000 for painting at 16 schools and \$3,800 for refurnishing and restoring student desks.

Proposed high school work aggregating \$47,800 includes \$10,000 for three new tennis courts adjacent to the three present courts; \$8,000 for an asphalt drive from the shop addition to the new building; \$2,000 for replacing the old basketball playing floor, currently composed of end-grain wood blocks; and \$3,800 to replace inadequate lighting with fluorescent fixtures in the cafeteria, art room and main corridor.

Renovation of 20 types was scheduled for all 20 buildings.

Larger items include new Central Junior high food laboratory cabinets, \$4,800 estimate, and fluorescent lighting, \$3,800; Emerson trucking, \$2,000; Fordhardt door and window replacement, \$1,600; Lake school door replacement, \$2,400; Marquette school, \$1,000; Maryville door replacement, \$2,300; Mitchell playground blacktop, \$2,500; Nuneaton ovalway for present blacktop, \$2,500; Nuneaton kindergarten blacktop, \$1,750; Nuneaton kindergarten, \$1,000; Niedringhaus fluorescent light, \$2,400; Lupton, \$1,200; Webster roof overlay, \$1,700; and Wilson door replacement.

Other projects are to include tile, shades, sinks, heating system repair, wiring, glass blocks, water coolers, downspouts, partitions, floor sanding, brickwork, ventilation, pump recharging, electric heaters, sets, curbing, Prather football field water line and spring drain repair, grading and lockers.

**Seek To Quit Rumors**  
The board preceded its regular business by expressing concern for Lee's position, "rumors circulating for several months." His salary and duties had been left undecided since March 26, when other members were retained for 1963-64.

Dr. Kaiser praised Lee's performance as elementary instruction supervisor and as recruiter of personnel. Although board members expressed readiness to consider the salary question, the group decided to defer action until May 28 because it has been endeavoring to limit business to that listed on its agenda.

The discussion brought out that Lee's duties are to be similar to those of the past. Division of negotiating assignments.

## March Term Grand Jury To Be Recalled Monday

The March term grand jury is to be recalled Monday day to hear 20 to 25 cases, it was reported today at the office of State Atty. Dick H. Madge in Edwardsville.

The recall will be a week before the May term grand jury is to be called on May 27.

## BIRTHS

Births recorded at St. Elizabeth Hospital:

**GIRLS**  
Mr. and Mrs. Luther Winters, 2135 Lee, a Granite City girl, May 15, Ellen, eight pounds, six ounces.  
Mr. and Mrs. Ronnie Joyce, 1400 Norwood drive, May 15, Kathryn Elaine, eight pounds, one ounce.

## Jury Finds Youth Guilty Of \$60 Robbery In GC

A guilty verdict was handed down yesterday afternoon at Edwardsville by circuit court jury in the case against Gabriel Armon Beaton, 19, of the 1106 block of Market street, Venice.

Beaton was on trial for a \$60 holdup at the Golden Crisp Donut Shop, 2168 Washington avenue, early this year. The trial before Acting Judge Austin Lewis started Tuesday morning. A motion picture was shown by alleged confession was denied by the jury.

Sentencing will take place following a 30-day appeal period. Beaton was arrested by Granite City police a few days after the holdup.

**Jackson Changes Plea**  
In another Granite City armed robbery case heard Monday at Edwardsville, James Edward Jackson, 18, of 2001 Washington avenue, withdrew an innocent plea and pleaded guilty, requesting probation. A hearing will be conducted tomorrow.

Jackson was arrested by Granite City police in connection with a \$100 holdup at the Franchise Confectionery on 27th street early this year.

**NEW COMMISSIONER**  
Granite City Fire and Police Board, William C. Brockus, whose appointment is to be presented to the council next Monday.

The pending appointment of Brockus to the Granite City Board of Fire and Police Commissioners was announced Monday night by Mayor Davis.

Confirmation will be sought at the next Monday city council session, the mayor told a group of eight council members who met in the city hall.

**Brockus To Be Named To Police, Fire Board In GC**  
Brockus, who is president of the Granite City Police and Fire Association, is being spearheaded by the Business and Professional Men's Club and the Granite City Jaycees, is now under way, and an organization is being formed to volunteer workers is set for next Monday.

Granite City residents wishing to contribute to the fund for the new fire station should be asked to fill out the form, enclose their contribution check and mail them to Mrs. Verne E. Wortman, B&P president, 2460 Washington avenue, or Henry D. Karandjoff, drive co-chairman, Granite City Trust & Savings Bank.

**2 DAYS WITHOUT A QUAD-CITY TRAFFIC DEATH**  
Council chairman gave tentative endorsement to Mayor Davis' 15-point program for city progress Monday night and threw in a few ideas of their own.

However, several chairmen urged a cautious approach, pointing out the projects could bring the city's \$1,720,715 budget of last year to \$2,000,000.

Others indicated a "hids attitude with comments, "you've got to spend to progress," and "we cut out the corner last year, and we got criticized."

Paul Rutledge, Finance committee chairman, said he had received a letter from Tax Assessor H. Von Dee Cruise that the quadrennial real estate assessment now under way, Granite City can expect a \$100,000 cut in its overall valuation of \$154,642,888.

That's a cut of about \$80,000 in tax income," Rutledge cautioned. He said the committee would know more details of the

replace them who have died or retired, purchase of a new station wagon for the superintendent of streets to replace a 1957 model that had been wrecked

and repaired, installing a television warning system for faulty sewer lift stations.

Strict enforcement of the city's ordinance to halt air pollution would result in ban on outside trash fires and would place limits on house- holders burning soft coal as well as campfires on industries, it was pointed out.

The Street and Alley committee is to study Street Stop, Ward's request for replacement of the nine men. Funds for their salaries were included in last year's budget.

Street Committee Chairman G. H. Sternberg, who was late in arriving at the meeting because of a previous commitment, offered "several suggestions—starting the city sessions with a prayer and a pledge to the flag. He also asked the chairmen to consider eliminating the \$30 monthly expense allowance given each alderman. Many of the chairmen argued in support of the allow-

## GC Steel Orders Up 1/3; May Set Record

5400 On Payroll;  
Directors Elected;  
Veeder Optimistic

Granite City Steel Co. received orders for about one-third more tonnage of its first rolled steel products in the first four months of this year than in the same period in 1962.

Nicholas P. Veeder, president and chairman of the board, reported Tuesday at a formal meeting of the stockholders here.

The firm's employment is at an all-time high, Veeder said, with about 5,400 men and women on the payroll at the local plant and another 200 at an iron ore mine in northern Michigan.

A new company record will be set in May, he said, when the company expects to produce about 145,000 tons of ingot steel. The previous record for one month was 138,000 tons in April 1962.

The company's order backlog has built up substantially, he said, and "the demand for steel has only recently showed signs of flattening out at a healthy level."

To the extent that current volume reflects inventory building against a possible strike, Veeder said, "it is, of course, volume borrowed from future quarters. In that sense, 1963 could be looked at as a delayed-action version of 1962."

"However, there are some reasons for feeling more optimistic about the remainder of this year than last," he said. The general business mood is more confident and recent estimates of capital goods spending in 1963 are heartening to anyone who sells steel.

**Price Hike Helps**  
"Things certainly are on an ascendency compared to the trend a year ago," he said. He said recent increases in iron prices and cost of fuel and galvanized steel "already are helpful."

Veeder reviewed internal capital improvements, including additions of coke ovens which are being completed.

## Contributions Sought For County Museum

A contribution form for the "Granite City" to be raised \$80,000 toward the \$40,000 needed to buy and renovate an Edwardsville home into a museum, is being distributed by the Granite City Jaycees, is now under way, and an organization is being formed to volunteer workers is set for next Monday.

Granite City residents wishing to contribute to the fund for the new fire station should be asked to fill out the form, enclose their contribution check and mail them to Mrs. Verne E. Wortman, B&P president, 2460 Washington avenue, or Henry D. Karandjoff, drive co-chairman, Granite City Trust & Savings Bank.

CRASH SCENE (above) where three lives were claimed about 8:45 p.m. Monday. The (X) in the foreground shows the point of impact and (X) to the rear is where the Mouser auto, which was struck on the right side, landed on its top. The same levee "hump" on U.S. Highway 67a was the scene of a Dec. 8 crash in which three persons were killed and a Feb. 15 head-on collision fatal to one. In each of the three fatal crashes, one person was injured critically. The view is looking south.

**CRUSHED CARS** in Monday's crash (left). The top auto is the one in which the Mouser and McCleary, both killed, were killed. The station wagon was being driven by Mrs. Lucy Pittman, who was killed. Lee Ashby, a passenger, was injured critically.

**Madison Council Approves City Jobs, Committees**  
Appointments by Mayor Stephen Maers of aldermanic committees and city positions were confirmed Tuesday night by the Madison city council.

Few changes were made on the committees, and all personnel in appointive city posts retained their positions.

On the aldermanic committees with the first named designated as chairman are:

Finance, Steve Kile, "Booker" I. Walton and Richard George; streets and alleys, Benjamin Bosworth, Raymond Kozielek and Kile; sewers and sanitation, Kozielek, Walton and Christ Costoff; police, John H. Haynes, Bosworth and Kile; ordinance, Kozielek, J. J. Janski, George and Costoff.

Purchasing, Kozielek, Ullanski and Robert Reeves; fire, light and water, Charles J. McMahon, Reeves and Ullanski; public grounds and buildings, Reeves, Haynes and Bosworth; health, Kile, Reeves and McMahon; claims, Costoff, McMahon and Haynes; permits, Walton, Costoff and George; and legislation, George, McMahon and Haynes.

No arrests were made, and authorities are investigating the phases of the case.

An auto was found at the scene, containing blood on the side. A pool of blood was found next to the car, and some knives were found. A deputy said Dye was "lucky to be alive," after walking a mile and a half from the scene.

Granite City police were in contact with county authorities, providing a name of information. Ramach said several persons were questioned, including a woman and some soldiers.

When asked about other possible motives for the attack, Ramach refused to answer and would not point the impact was a short distance south of the dirt road.

**Witness Account**  
A witness told him of the apparent left turn effort. The trooper said the Mouser auto was struck on the roadside on the right side. It was knocked several feet and landed on its top. The Mouser youth was thrown out, but Mouser remained in the overturned car.

Mrs. Pittman, a teacher at Lansdowne junior high school, and Mr. Ashby were pinned in the southbound station wagon and the doors had to be forced open to get them out. Her auto remained in the southbound road.

Both youths were dead on arrival at St. Elizabeth Hospital, from crushing injuries and skull fractures. Mrs. Pittman died a short time after arriving, also from crushing injuries. Deputy Coroner Henry Pieper is to conduct the inquests.

Mr. Ashby was transferred to Barnes Hospital where plastic surgery has been performed. The Police Department funeral services yesterday for the two youths additional services were held for today in Lutesville, Mo., for the Mouser youth.

McCleary was born in Decatur and lived here four years. He attended Prather junior high school.

**Man Slashed, Claims He Was Beaten, Robbed**  
The Madison county sheriff's office is investigating the slaying of a Granite City man, reportedly on Rock road across the levee outside of the city, between 9 and 10:30 p.m. Tuesday.

He is Larry Dye, 27, of 3040 Buxton avenue, who stumbled into the West Granite fire station in a bleeding condition. He was taken to St. Elizabeth Hospital where emergency surgery was performed for cuts about the neck.

The hospital report showed he suffered multiple lacerations to the neck and a bump on the left side of the head. The hospital said he was in fair condition today.

George Ramach of Madison, chief deputy sheriff, said Dye told authorities he was picked up by two or three men in a Granite City tavern and was taken to Rock road where he was cut, beaten and robbed of his wallet containing \$22.

No arrests were made, and authorities are investigating the phases of the case.

## Two GC Youths, E. St. Louis Teacher Die; MHS Teacher Hurt Critically

Tragedy struck four families at 8:45 p.m. Monday when three persons were killed and another injured critically in a two-auto crash on the levee "hump" on U.S. Highway 67a, three miles north of Granite City.

It was the second triple-death crash at the same dangerous location, where seven fatalities have occurred in a six-month period. The "hump" is on a straight stretch of road and is about a mile south of the U.S. Byways 66-40 intersection.

Dead are:

Robert E. Mouser, 17, Rural Route One, a Granite City high school sophomore, driver of one car.

David McCleary, 15, Rural Route One, a freshman at Wood River high school, and passenger in the Mouser auto.

John (Lucy) Pittman, 40, of East St. Louis, a teacher there, who was driver of the other auto.

In critical condition in Barnes Hospital, St. Louis, is Lee E. Ashby, 28, of 2841 Downwood drive, a passenger in the Pittman auto. He is the father of five children, ages 13 months to 14 years.

campus of Southwestern Illinois University where both are night students. Mr. Ashby, an English and business training teacher at Madison high school, is working on a master's degree.

He has severe cuts to the head, crushing injuries to both ankles, a fractured left wrist and broken ribs. Brain surgery was planned, but was not required. The doctor told his wife yesterday he was hopeful of recovery.

**Joint Services For Youths**  
Joint memorial services were held at 11 a.m. yesterday at the Good Shepherd EUB Church for the two Granite City youths. The bereaved neighbors, living two houses apart in Sunnyside subdivision, a mile north of the crash scene.

The crash was on the north side of the "hump" where a dirt road crosses the levee. It was virtually the exact location of the Dec. 8 crash in which an auto was killed and a two-man youth were killed and a Granite Cityan injured critically.

At the same time on Feb. 15, a St. Louis television technician was killed and another man was injured critically in a two-auto crash in which the St. Louisan was turning onto the road.

It is believed the Mouser youth, who was driving north, was attempting a left turn onto the dirt road. However, State Trooper Leonard Miller of Madison noted the point of impact was a short distance south of the dirt road.

**Witness Account**  
A witness told him of the apparent left turn effort. The trooper said the Mouser auto was struck on the roadside on the right side. It was knocked several feet and landed on its top. The Mouser youth was thrown out, but Mouser remained in the overturned car.

## Fire At 3 A.M. Damages Vacant House On E. 23rd

A blaze which apparently smoldered for nearly seven hours broke out about 3 a.m. Tuesday and caused an estimated \$4000 damage to an unoccupied house and furnishings. The occupants had moved out earlier that day, and the furnishings were to have been picked up by a furniture store.

Assistant Fire Chief Curtis Donley said leaves had been burning in the yard and apparently had blown against the four-room frame house, which has no basement or concrete foundation.

"They probably smoldered after the people cleaning up had left after 7 p.m. and then the blaze started," Chief Donley said.

Passerby Sam Smoker, a passing motorist saw the smoke about 3 a.m. and drove to the police station. Police notified the firemen at the main station. The firefighters were at the scene nearly three hours.

Chief Donley said the house was being bought by Mike Griffin and Elmer Drotos, but neither one had resided there. He said the fire burned under the house and through the floor to damage two rear rooms, a bedroom and another room in which wallboard and lumber were being stored for remodeling.

Another family had lived there but had been planning to buy the place before moving out Monday.

Of the \$4500 damage total, the loss to the structure was set at \$1000, with \$3500 loss to the furnishings, valued at \$4000.

## Rulings On Architects, Clerks, Magistrates

A church or any other private organization holding meetings open to the public should employ an architect to prepare the plans and specifications for construction of a new building, Illinois Attorney General William G. Clark said in a legal opinion. He added that the law provides for aiding schedules of pay for such boards, based on population and paid from fees of the clerk of offices.

Clark has filed notice in Warren county circuit court, Monmouth, that he will appeal to the Illinois Supreme Court from the order and permanent injunction holding that sections of the Illinois Prevailing Wage Act be unconstitutional.

Clark's contention is that the act is constitutional and that gasoline tax funds constitute a gift from the state in which the complaining 65 Illinois municipalities, counties and individuals have no proprietary interest or invested right.

The permanent injunction restrains the state from withholding gasoline tax monies from the cities and counties until they comply with provisions of the Prevailing Wage Act.

## Canned Soft Drinks Pushed By GC Steel

Granite City Steel Co. will participate in a three-month, \$1.5 million marketing program to speed up the sales of carbonated beverages in tin cans.

The campaign, to start next week, will be the largest single promotion the national steel industry has ever sponsored to expand the already growing market for tin plate, one of its most important products.

Granite City Steel is one of the nation's 10 tin plate producers.

A report to stockholders urged them to "encourage stores to stock soft drinks in handy, lightweight tin cans and get your neighbor to buy them. As stockholders in a steel company, you have a special interest in pushing the use of tin cans."

"Tin plate has already made real inroads on glass and other materials used as soft drink containers. Further gains would mean important additional sales for this Granite City Steel product."

## \$21 GC Substitute Teacher Pay; Negotiation Decision

Daily pay for substitute teachers was increased \$3.50 by the Granite City school board Tuesday night, retroactive to May 6, start of the current pay period. Those with bachelor or master degrees will be paid \$21 instead of \$17.50, and those without degrees will receive \$18.50 instead of \$15.

Sup't. Harold M. Kaiser said the change will aid in attracting a sufficient number of substitute teachers. He noted that there have been no pay increases in recent years, during which substitute pay has risen in other districts in the vicinity.

The board asked Dr. Kaiser to confer with American Federation of Teachers Local 743 representatives on the matter of applying \$3.50 hourly pay for substitute work by regular teachers during the illness of other faculty members.

**Views On Hourly Substitution**  
A statement of position received from Jon Mullen, president, and Harry A. Lane and Robert L. Johnson of the local salary and policy committee said a teacher is entitled to \$2.50 for less than a full hour worked. They pointed out that a teacher is legally responsible for the safety of students entrusted to his care, and that a teacher who gives up his preparation period has an additional hour of work to do after school or at home.

Local 743 added that a teacher asked to substitute should be informed whether he is to be paid, that if not informed he is entitled to \$3.50 an hour for the work performed, and that he has a right to refuse to substitute. Board members noted that unless such pay is provided, it could cost the district \$42 a day to offset 12 gymnasium periods of 20 minutes each when an elementary physical education teacher is ill.

Board President Ralph Fickler announced that Teachers' Local 743 asked in a letter received last Thursday to discuss "proposals" with the board Tuesday night. The president polled the board members last week, and the request was denied.

An initial audience of 20 at Tuesday's session included eight teachers who remained throughout the regular portion of the meeting, which was halted shortly before midnight. Adjournment took place an hour later following an executive session on personnel matters.

**5-2 Against Direct Talks**  
During the busy meeting, the board decided by a 5-2 vote to have the administrative staff act as negotiators in pending talks with representatives of Granite City school employees, cooks, painters, chauffeurs, carpenters and laborers. All of these agreements expire June 30.

Makeup of various negotiating groups is to be reported to the board by Dr. Kaiser at the May 28 meeting. Talks are to begin now. Those opposing the negotiating plan—one of three submitted by Dr. Kaiser—were Secretary George Stidham and Board Member Ronald Dillard. They had voted favorably for the plan rejected 2-5. It called for the administrators to be joined by two or three board members in negotiations.

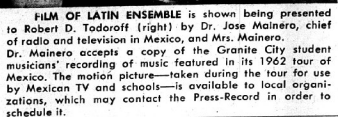

The third plan, not directly voted upon, involved negotiating with the full board. Dillard strongly urged board participation, conceding that it might be time-consuming. He added that it would enable board members to understand all points that are raised and might speed the successful conclusion of contract talks.

**Time Ability Aspects**  
Other board members expressed doubt that they have the time or ability to handle negotiations and a discussion about the possibility of their serving alternately when available. Board Member Robert Spengler said the proposed change might infer that the board felt it had not been receiving "a true picture" of the progress of negotiations. Dillard noted that he had not made any such charge.

Fear was expressed that negotiations would require several nights of board members' time each week on nearly a year-round basis. Letters were received, terminating their agreements on June 30, from the custodians, cafeteria workers, chauffeurs and painters. No specific requests were mentioned. Salaries also must be set for laborers, carpenters and secretaries.

**Extra-curricular Pay Rates**  
The board raised yearly pay from \$300 to \$500 for the assignment of handling arrangements for gates, tickets and admissions at GCIS. The amount is in addition to regular teaching pay. It was decided to pay high school department heads \$100 over their basic pay. The vote was 4-1. Ronald Dillard and George Stidham abstaining. Dan Linder voted "no," urging more than \$100 for department heads. Increases of \$50 were voted for high school band duties, increasing the extra pay to \$450; six junior high and elementary band and string music teachers, to \$200 a year each; high school vocal music, \$400; GCIS speech, \$450; student council, \$300; high school journalism, \$450; GCIS assistant speech and drama, \$300; yearbook, \$350; transportation director, \$600; junior high and GCIS counselor, \$350; and grade school after-school recreation, \$300.

Five resignations were accepted by the board. Mrs. Joyce Shiffer, Washington kindergarten, cited family responsibilities; Harriette Renken, Namecki grade school teacher, plans to move to another community; and Mrs. Lamoyne Lindsey, Collinsville, an elementary vocal music instructor, listed home responsibilities. Others leaving their positions are Mrs. Ruth Suer, Mitchell grade school teacher, and Mrs. Gertrude Boyer, Prather junior high cafeteria worker.

Leaves of absence for 1963-64 were granted Mrs. Marilyn Barry, Granite City, Prather junior high girls' counselor, and Mrs. Anna McIntyre, Granite City, a Logan second grade teacher, the latter due to ill health.

Construction of roads to the sites for the multi-million dollar library and classroom buildings at the new Southwestern Illinois University campus were started this week. Equipment for construction of the first two buildings on the Quad-City-Edwardsville campus will be moved in as soon as the roads are completed. An exact date for start on the buildings has not been set because heavy rains this week are delaying the roadwork. The buildings are to be completed by September 1964.

### Gas Price War Ends Today, Rates Go Up

The price of gasoline went up five to six cents today to halt a week-long price war at service stations here. Major brands of gasoline in most local stations increased from 28.9 to 30.9 cents a gallon for regular gas and from 30.9 to 34.9 for premium gas.

among administrators is to be outlined by Dr. Kaiser at the next meeting. Initial sparring, technically linked with two women teachers' leave of absence requests, led to an effort by several board members to determine what policies govern the starting and ending of leaves. Conclusion was that the board can accept or reject employees asking to return from leave, based on the facts of each case.

**Leave Termination Policy** Initial sparring, technically linked with two women teachers' leave of absence requests, led to an effort by several board members to determine what policies govern the starting and ending of leaves. Conclusion was that the board can accept or reject employees asking to return from leave, based on the facts of each case.

As the board reached Lahr's letter, President Ralph Fricker proposed that it be considered in executive session. Several questioned the plan but agreed when it was reported that the request for such handling had come from Lahr.

At the end of an executive discussion later in the evening, it was decided to defer action on Lahr until the May 28 meeting. Dr. Kaiser is to report on his physical condition and whether the school employment during the disability leave. The April 22 letter follows:

**Request for Promotion** "As you are aware, I am on temporary disability leave at the present time. I hope to return to work sometime this summer. During the time I have had off, I have finished all the campus hours required on my master's degree in administration and supervision. This leaves just a few hours to go for a degree in education, and I plan to continue on with extension work to their completion. Mr. Trimpe is currently engaged in securing my certificate as elementary supervisor."

"I understand there is a possibility of additional staffing in the main office and, if at all possible, I would appreciate placement there upon my return. Although my master's work is to continue on and, as you know, I have considerable experience in dealing with personnel in the teaching field."

"I feel, therefore, that I could work most effectively from an administrative position; how-

ever, if there is not going to be such a vacancy I will, of course, return to the classroom. I am sending this letter at a rather early date but am hoping to receive an early answer as to what to expect in order that I may better plan my summer schedule, which might include additional surgery. Thank you for the consideration shown thus far." He underwent surgery this spring following an auto accident in 1961.

**Double Job Issue** In the general discussion on leaves of absence early in the meeting, Sidman cited the hypothetical case of a teacher with two jobs going on leave; approval by the board would relate only to the teaching work, he contended.

Dan Linder questioned whether approval is necessary on a return from leave, since an offer of a comparable position is implied in granting leave.

**Deferential action was unanimous.** In other business, continuation of intramural athletics at Coolidge and Prather junior high schools was authorized on the recommendation of Supt. Kaiser. Ronald Dillard objected, noting that Athletic Director Richard Yates had proposed that they be eliminated.

Concerning that intramurals at the two schools have not been attracting as much participation as at Central junior high, Dr. Kaiser said all would have to be retained or dropped. He said elimination should not be considered unless proposed vigorous promotion of the programs proved unsuccessful. Robert Spengler and Dr. Kaiser urged continued provision of athletics for those not physically adept as well as those skilled enough to qualify for varsity teams.

### Action-On Construction At GC Port Still Pends

Action is still pending on financial arrangements by the Tri-City Port Authority commissioners for initial construction on its property at the Granite City part along the Chain of Rocks canal.

A regularly scheduled meeting Monday night was not held as commissioners were not prepared to consider bids for the financing, according to Cmdr. John Barron, executive director. Facilities included in the bids, which were opened April 11, include a 40,000 square foot warehouse and related truck docks, rail tracks and access roads.

Humanity is such that one good turn builds up hope for another.

# Kofahl's No-Hitter Puts GC Warriors In District Finals

ONE THAT DIDN'T COUNT. Collinsville's Jim Mueller loses his cap and race with the ball as he is forced out at the plate in first inning of district baseball game with Madison here Monday. MHS catcher Sam Dymas has received the throw and umpire Paul Taylor flashes the "out" sign. Kofahl had better success later in game and won easily, 14-1, to set up title game with Granite City.

Leave For Champaign Today

## Five Athletes Will Represent GC HS In State Track And Tennis Finals

Five Granite City high school athletes and their coaches left this afternoon for Champaign and state level competition in tennis and track.

Carrying Warrior hopes for points in the state track meet finals is Junior Joe Hiles, who will compete in the shot put and discus preliminaries tomorrow in hopes of qualifying for Saturday's finals.

Hiles was the second-place finisher in both events at the district trials in East St. Louis last week, efforts which automatically qualified him for the state meet.

Both his distances (54-10 1/2 in the discus and 155-8 in the shot) would have qualified Hiles regardless of his place finish among contestants at East St. Louis.

Hiles' shot put distance was a GC HS school record, but his discus distance was well off what he has thrown earlier in the season. Twice Joe has flitted with 170 feet. He exceeded that distance once in the Madison invitational meet, but the throw was out of bounds.

Track Coach Ross Rosenthal and assistant Andy Sullivan, who are accompanying Hiles to

Champaign, feel that a sprained middle finger on Hiles' throwing hand, sustained in a dual meet with Edwardsville, will not hamper the athlete this weekend.

While Granite City can nurse no aspirations of finishing high up among schools competing in track and field events at Champaign, Alton will be represented by 12 team members, and the general feeling here is that if the Redbirds are ever to win a state title, this is the year. Alton has its greatest strength in the hurdles, middle distance and relay running events and in the weights in field events.

Double combinations Mike Barnes and Rusty Toburen will compete for the Warriors in the state tennis finals Friday and Saturday. They left by car this afternoon with net Coach Dick Harmon, who will attend a meeting tonight at which coaches will make the seedings and pairings for Friday's first matches, which begin at 9 a.m.

Doubles and singles will have progressed to the semifinal stage by Friday night. Semifinals and

finals will be played beginning at 9 a.m. Saturday.

Harmon rates defending champion Evanston and Decatur as strong team entries this year.

"How far we go will depend on the luck of the draw," he said. Barnes and Logan, who made the trip last year, were beaten in the first round by an Oak Park doubles combo which went on to finish second in the tournament.

The four GC HS tennis players—Toburen and Hancock raised more than a few eyebrows by finishing second in the Roxana district—have spent most of their practice time this week working together at Wilson Park courts.

"Toburen had a foot fault which I think we've corrected," Harmon said. "We're in better physical shape than we were last year, too."

Logan played at state in 1962 with a strained abdominal muscle. The senior was a district singles runner-up his sophomore year, so today's trip is the third he has made to Champaign in as many years.

The GC HS tennis and track contingent will stay overnight in an Urbana motel and plans to return here Sunday afternoon.

## Lefthander Fans 13 Roxana Batters; Warriors Get Third Shot At Kahoks

Lefthander Terry Kofahl, a cool customer on a hot afternoon, pitched Granite City into the finals of the IHS district high school baseball tournament here Tuesday in near-perfect fashion with a no-hit gem against Roxana's Shells.

Kofahl faced just 22 batters and struck out 13 of them as the Warriors moved into the final game against Collinsville, Southwestern Conference champion which eliminated Madison 14-1 Monday afternoon and which owns two earlier victories over GC HS.

The title game, with a berth in next week's Roxana regional the winner's prize, had to be postponed yesterday afternoon after an early morning rain shower made diamond No. 1 at Wilson Park unplayable.

"There was still some doubt today as to whether ground conditions would permit playing of the game this afternoon. If not, the contest will be rescheduled at 4 p.m. tomorrow."

Shelton K. Papp Today

Starting pitchers will be Chuck Shelton for the Kahoks and a Charlie Papp for Granite City. The best GC HS 2-1 the last time he pitched here, and Collinsville won scored a 7-0 win over the Warriors in Collinsville.

Kofahl, who missed an occasional curve with a atrocious fast ball, exhibited near-perfect control against Roxana Tuesday. Only four balls were hit out of the infield, and one of them a line shot to left by shortstop Don Withers in the sixth inning.

Without the sixth inning, Kofahl's no-hitter.

Ruling Changed

The ball tided away from Warrior leftfielder Bob Fanning, who got his glove on the ball but could not hold it. The tough chance. Official scorer Al Kutzer first ruled a two-base hit, after conferring with umpire Ken Serwatka and Francis "Pat" Dant, changed the hit to an error.

Shelton was then out down trying to steal third on a perfect throw from catcher Joe Hauptman. Pitcher Ken King coaxed a walk in the last of the inning to become the second and final Roxana baserunner.

Kofahl struck out at least one runner on each inning, including the side in the second. The only full count against him last afternoon was a Ken King just before King walked.

Kutzer has 3 RBIs

Solid sticking by the Warriors was overshadowed by Kofahl's mound performance, but Bob

AND ONE THAT DID. Granite City's Bob Scharf scoots across the plate in the third inning with run No. 8 for the Warriors, scored on Dick's Frizzell's infield hit the bases loaded against Roxana in district play here Tuesday. Shell catcher Keith King waits for a late throw. Umpire is Stan Serwatka. GC won 9-0 behind no-hit pitching of Terry Kofahl.

## GC HS, Junior High 1963-64 Coaches Assigned, Salaries Are Increased

Assignments and pay boosts for Granite City school district coaching staffs were approved by the school board Tuesday night.

An extra \$100 was added to the salaries paid five GC HS head coaches above their basic teaching pay. Chief basketball and basketball coaches will receive \$800 each in 1963-64, and head wrestling, baseball and track coaches will get \$500. Also given \$100 boosts, assistant football coaches will receive \$450.

With \$50 added, assistant basketball and track coaches will get \$400, assistant baseball coaches \$350, the tennis coach \$350 and cross-country coach \$300. The athletic director receives \$1200.

May Create Golf Team

Possibility of creating a golf coaching position is to be considered at the next board meeting.

In other extra-pay decisions relating to athletics, the board voted \$50 increases that raised the high school girls' extracurricular coaching position to \$300; high school and junior high girls' extracurricular assistants, \$200 each; GC HS cheerleader sponsor, \$200; high school boys' intramural, \$400; and assistant coordinator of physical education, \$300.

Approving recommendations of Athletic Director Richard Yates, the board authorized the following assignments for the coming year:

Prather Junior High

Prather junior high football—Carroll Sanders, assisted by Conrad Champion.

Prather basketball—Bob Miller, ninth grade, Maurice Hemphill eighth grade and Ralph Mangan seventh grade.

Prather wrestling—Gene Prokes.

Prather baseball—Champion.

Prather track—Miller ninth grade and Hemphill seventh and eighth grades.

Prather intramurals—Mangan and Sanders.

Central School

Prather junior high basketball—Glen Hastings eighth grade and Carl Henson seventh grade.

Central track—Hastings eighth grade and Henson seventh grade.

Central intramurals—Hastings (touch football and wrestling) and Henson (basketball).

A decision on junior high coaches' pay is to be made at the May 28 board meeting.

SEEING DOUBLE. Granite City high school will be represented in state prep tennis finals at Champaign this weekend by this foursome, all of whom are entered in doubles competition. Wayne Hancock (left) and Rusty Toburen (right) form one doubles combination. Seniors Bill Logan (second from left) and Mike Barnes, district champions, will play in doubles at Champaign for second straight year. Logan advanced to state tournament in singles as a sophomore. Pairings will be made tonight. Play begins Friday.

## Prather Defeated By Coolidge, But Takes 2nd In JH Conference

Prather baseballers dropped a 5-2 decision to Coolidge, but still clinched second place in the Junior High conference here Tuesday.

Coolidge upset the Chiefs

plans for a share of first place with Edwardsville (5-1) by scoring three times in the first and adding two insurance markers in the sixth. Triples by Jim Gubser and Tim Hackney were decisive hits in the Braves' two runs. Winning pitcher Ricky Turpinoff fanned eight and gave up six hits. Loner Willie Rains struck out eight and was touched off for eight hits.

## Coolidge Ends Net Season With 4-1 Loss To Roxana

Coolidge's No. 2 doubles team was the only Brave winner at Roxana Tuesday as CHS dropped 4-1 to the Braves' two freshmen. Coolidge ended the season with a 1-6 record. The match resumed to stiffer.

No. 1 singles—Bruce Tinsley (R) defeated Jim Holland, 6-4; 6-2. No. 3 singles—Perry Lockett (R) defeated Larry Jackson, 6-3, 6-0.

No. 1 doubles—Chuck Bonnell and Allen Wingert (R) defeated Allen Williams and Bob Eberhart, 3-6, 6-2, 6-1; No. 2 doubles—Bruce Providence and Bill Ross (C) defeated Dale Bey and Tony Nesbitt, 7-5, 6-0.

JUGGLER

A genius sometimes proves his point by making the facts agree with his theories.

Belleville high school easily outdistanced varsity and junior varsity track and field opposition from Granite City at the BTHS track Tuesday afternoon.

The Maroons piled up a 77-40 advantage in varsity competition and won the junior varsity division by an 86-32 score. The loss gave the Warriors, who will be operating under a new head track coach next year, a 2-5 mark in dual meets this season.

Morrison New Coach

Jim Morrison, associate football coach at Washington University last season, who was named as head football coach at GC HS in March, was named head track coach by the GC school board Tuesday night, replacing Ross Rosenthal, track mentor for the past two seasons.

The Warriors won five senior division events Tuesday, with state-bound Joe Hiles again dominating the weights, Mike Mounce taking the 400, Gary Lomax the mile run and Ricky Reutebuch the high jump.

Don Uhrig was a double winner for the Maroons, finishing first in both the high and low hurdles.

Line Only JV Winner

The only GC HS JVee winner was Jerry Line, who finished first in the shot put and discus. The senior division results:

120 HH—Uhrig (B), Blind (C) and Freed (B), 163; 100 HH—Uhrig (B), Freed (B) and Quyle (B), 106; 880—Heckman (B), Tonne (B) and Shelson (C), 2:52.5; 880 relay—Belleville, 1:35.7.

## Park Boys' Baseball Season Opens On Saturday; Parade

The Granite City park district boys' baseball program will inaugurate another season here Saturday with a parade, opening ceremonies and games in four age divisions at Wilson Park.

The program's traditional parade will begin at 1 p.m. Saturday at 24th street and Madison avenue. David Morgan is parade marshal and the line of march will include players from the Atom, Bantam, Midget, Juvenile and Junior divisions, a color guard, Belleville Gabrielle's drum and bugle corps, five candidates for the 1963 "Miss Granite City" title, St. Louis Cardinal infielder Dal Maxvill of Granite City, city, park district and Granite City Army Depot officials.

Raymond Alwood of Emmanuel Baptist Church will offer the invocation to open parade ceremonies at diamond No. 1 in the Wilson Park following the parade.

Maxvill will throw out the first ball at the start of a game in a division which has had a league named for him, and the 1963 season will get underway.

Saturday games: Juvenile—T&E Thunderbolts vs. Barney's Muzz; Atom—Gitchoff Athletic vs. Local 30; Midget—Eagles vs. GC Kiwanis; Bantam—Belleville Businessmen vs. Land of Lincoln Lions.

Fifty-seven teams entered in the park baseball program this year.

## Hollis Wins Spot In 'Little 500' Sprint Car Race

Granite City's Dave Hollis, driving the Lyle Hartzell special, has qualified for the May 25 running of the "Little 500" national championship sprint car race at Sun Valley Speedway, Anderson, Ind.

Hollis, a regular winner in modified car races here over the past two seasons, turned in the 11th fastest elapsed time during a four-lap trial at the quarter-mile track.

His 35.63 clocking placed him in the center of the fourth row for the race. Thirty-three sprint cars will make the start in the flag at 7:30 p.m. (EDT). About 15,000 racing fans are expected to watch the action in the 15th annual running of the "Little 500."

## SOCIETY

### Maecenas Plan Dinner, Sale

Mrs. William Drew entertained the Junior Maecenas Club Tuesday evening for its monthly meeting in her home, 2212 Riverside.

Business meeting was conducted, and the business meeting and gave a report of her trip to the convention of Federated Clubs held in Chicago May 6-8.

A safety report was given by Peck, who gave the club members literature on safety measures to be taken while at home, boating, swimming and in other activities a family may enjoy. The president announced that the club will have a bake sale June 15 with the place to be announced later.

Main topic for discussion was mother-and-daughter dinner which will be held May 21 at the Holiday Inn.

The members served a dessert luncheon. Other members present were: Maecenas, Richard James, Kathleen, Victor Shanta, Kenneth Knox, William Sage, James Flaherty, Ernest Dick, Ed Lutton, Jim Corbin, James DeWitt, Andy Petrovich, Dale Bruckert, Roger Marsh and Earl Thompson.

The next meeting will be held in September.

## Executive Meeting For Sorority

Miss Norma Rains, newly elected president of Theta Chapter of Beta Sigma Phi sorority, held an executive meeting Tuesday at her home.

Plans were made for a mother-daughter tea to be held Sunday at the home of Betty Corbin, 2315 Franklin avenue, and there was an audit of the books by Audrey Daulton and Evelyn Tolp.

Arrangements were discussed for the evening of June 29 at a meeting in a St. Louis Hotel.

Plans were also discussed for an attached case to the chapter.

Committees were announced for the summer socials as follows: June, Alice Holshouser, chairman; July, Margaret, and Margie Bishop; July, Delores Daulton, chairman; Betty Kling; August, Evelyn Tolp, chairman; Ruth Stoyanoff, Lucille Harper and Marcelle Ashburn.

## 11 Treated At Hospital For Various Accidents

Eleven persons were treated yesterday at St. Elizabeth Hospital for injuries sustained in a variety of accidents. All were released. They are:

Kathleen Friedrich, eight-year-old daughter of Mrs. Friedrich, 2128 Miracle manor, who stepped on a belt buckle and punctured her left leg.

## Wilkins Urges Technical Institute In This Area

A state-federal pilot study for establishment of a vocational-technical institute in this region, especially East St. Louis, was urged by George T. Wilkins, former U.S. secretary of public instruction, in addressing Madison Rotarians yesterday.

Wilkins linked the needs of the area with Wood River high school vocational-technical department — only one of their type in Illinois outside Chicago — with the comparatively low unemployment level in this area. He described widespread training in job skills as an answer to many social and economic problems.

With the impetus of Russian missiles, U.S. education and scholarship have soared to much higher levels than a few years ago, he noted. In stressing technical and vocational training, he expressed doubt that Illinois tax revenue will permit development of junior colleges on the scale he has advocated.

He was urged appointment of an educator to the Illinois' Public Aid Commission and said higher educational spending is needed to reduce public aid costs. He reviewed the impact of educational research in American agriculture and said overall progress of the U.S. — 50 years ahead of Russia except in the field of space — indicates eventual American victory in the "cold war."

He was introduced by Madison School Superintendent Wessel Brown, who credited him with a major role in the creation of Southern Illinois University. Wilkins currently is an SWIU staff member.

## Executive Meeting For Sorority

Miss Norma Rains, newly elected president of Theta Chapter of Beta Sigma Phi sorority, held an executive meeting Tuesday at her home.

Plans were made for a mother-daughter tea to be held Sunday at the home of Betty Corbin, 2315 Franklin avenue, and there was an audit of the books by Audrey Daulton and Evelyn Tolp.

Arrangements were discussed for the evening of June 29 at a meeting in a St. Louis Hotel.

Plans were also discussed for an attached case to the chapter.

Committees were announced for the summer socials as follows: June, Alice Holshouser, chairman; July, Margaret, and Margie Bishop; July, Delores Daulton, chairman; Betty Kling; August, Evelyn Tolp, chairman; Ruth Stoyanoff, Lucille Harper and Marcelle Ashburn.

## 11% Rise In This County's Social Security Benefits

Monthly, old-age, survivors and disability insurance benefits in Madison county now top \$1,451,736.00, Ralph Brasher, District Manager of Social Security in East St. Louis, said today in releasing an annual county benefit data report.

The new monthly figure represents an increase of 11% over the corresponding period last year, which "can be attributed to changes in the law in recent years, as well as to the growth of our aged population," Brasher said.

"This money stimulates county business; most of it is spent for food, clothing and shelter. Social security benefits are helping to stabilize the income and spending power of many residents in Madison county."

20,901 recipients  
Monthly benefits first became payable in January 1940 and have continued without interruptions for 23 years, according to a steady growth in the number of beneficiaries.

Brasher noted that as of Dec. 31, 1962 Madison county residents were collecting \$1,451,736.00 from social security, average of \$69.35 per person in Madison county.

More people in Madison county, he said, could draw social security benefits if they knew more about the law. For that reason, they are being urged to report or call the social security office whenever they have a question concerning their benefits or responsibilities.

As of January 1963, the nation at large, more than 18 million beneficiaries were receiving payments at the rate of \$1.1 billion a month. Average monthly payment, \$69.35.

The Madison county program as of Dec 31 consisted of: retired workers, 108,835; total; wives or husbands, 3261; 113,929; widows or widowers, 2542; 116,989; mothers and children, 2468; 116,900; disabled workers and dependents, 1501; 116,904; and parents, 38, \$4,229.

## Union Industries Show To Be Held At Arena

The AFL-CIO Union Industries Show, the world's largest labor-management function, will be held tomorrow through Wednesday in the St. Louis arena. Featured will be demonstrations of craftsmanship.

More than 100 exhibits will be displayed by international unions and will occupy exhibition building "A" of the arena.

The show, with the theme, "Gateway to Progress," will represent a mammoth display of "everything that is union" and will contain exhibits representing virtually every craft, trade and service union in organized labor.

The combined value of the displays and exhibits will be in excess of one-million dollars, according to Joseph Lewis, show director.

**Relieve To Participate**

Edwin Reine, secretary-treasurer of the Tri-City Labor Temple Association, will participate in the opening of the program tomorrow afternoon with other labor leaders in the St. Louis area who first will meet for lunch at 11 a.m. at the St. Louis hotel.

The show will be open from 1 to 11 p.m. daily to the public and no admission will be charged. Souvenirs and gifts valued at more than \$80,000 will be distributed to visitors each day. Among the more elaborate awards will be an all-electric kitchen completely installed, a fibre glass boat, more than a quarter of a million cigarettes, television sets and electrical appliances, and several gas and electric ranges.

The prizes will be awarded free through the courtesy of the participating unions. Show officials say it will provide an educational sojourn for thousands of children and student groups who are to make tours.

## Public Aid For March Higher In State, County

Illinois public aid rose in March for the fourth consecutive month—due mainly to aid to dependent children and ADC-unemployed aid—and also showed an increase in Madison county.

The Madison county tally of \$32,464 sent to \$140 persons compares with \$334,983 and \$501 recipients in February. Aid totaled \$340,968 in January but was in the \$313,000-\$328,000 range throughout last fall.

For March, Madison county had 4843 ADC recipients who were sent \$178,956, compared to \$171,292 in the previous month; 1078 on aid-of-attendance, \$88,681 (\$85,201); 320 on disability assistance, \$25,293 (\$24,821); 62 receiving blind assistance, \$4884 (\$4873); and 1845 receiving general assistance, \$44,048 (\$48,703).

The net loss of 361 recipients was due principally to deletion of 492 from the general assistance rolls; 151 were added to the ADC list.

Madison county was third in the state in the volume of state aid received. St. Clair totaled \$1,335,161 for 28,405 persons, including \$783,063 ADC for 19,767.

No. 1 was Cook county with \$16,247,326 sent to 281,628, including \$9,094,621 ADC to 192,195. All domestic counties included \$8,203,093 for 168,207, including \$3,233,334 for 83,528. Grand total for Illinois in March was \$24,450,419 aid sent to 440,835 individuals, of which \$12,320,133 represented ADC for 275,454.

## Legion Post 307 To Honor Graduates

Officers and the color guard of Venice-Madison American Legion Post 307 will take part in the four public and parochial school commencement exercises.

Next Tuesday, Michael Leatherman, a past commander and member of the Venice school board, will present American Legion Awards for scholastic endeavor to a boy and a girl at Venice grade school. The color guard, headed by John Genter, will post the colors.

Next Thursday, Kenneth Hinton will present the awards at the Madison junior high school, and on May 24, the colors will be posted at the Madison high school graduation exercises.

The Legion awards will be presented at the St. Mark's school graduation on June 2 by Rev. Robert McCarthy, church pastor.

## Gospel Chapel General Baptist Special Services

A Gospel Sing will be held at the Gospel Chapel General Baptist Church, 512 State street, Madison, at 7:30 p.m. Saturday, according to an announcement by the pastor, Rev. George Land. The Lester Family, a band from a St. Louis radio station, will take part on the program. Doyle Smith is young people's leader.

Revival services will be held nightly at 7:30 o'clock at the church during the coming week with the pastor in charge.

## RETIRING PASTOR, Rev. J. T. Bryant of Trinity Methodist Church, who will deliver his closing sermon here Sunday.

## Rev. Bryant To Retire —39 Years A Pastor

Rev. J. T. Bryant, pastor of Trinity Methodist Church on East 25th street for the past five years, is retiring and with Mrs. Bryant expects to leave shortly to take up residence in Marion, Ill. His successor will be appointed at the annual conference of the church to be held in Mt. Vernon May 22-26.

Rev. Bryant, who has been a pastor 39 years, received his elementary education in White county. In 1922 he was licensed to preach in the Methodist Church and after meeting all requirements joined the Southern Illinois Conference.

He has held pastorates at Browns, Coal Springs, Carbonale, Golenada, Mt. Vernon, Pickneyville, Murphysboro, Metropolis, Flora, East St. Louis and Granite City. Each year of his ministry he attended a refresher course at McKendree College and the past several years at the University of Illinois.

In 1921 he was married to Miss Hilda Mariele, Mill Shoals, Ill. They have two daughters, Mrs. Milton Biami, Coulterville, Ill.; and Mrs. Harold Blank of Harrisburg and a son, Kenneth of Springfield, Ill. There are also 14 grandchildren.

After directing several debt campaigns and serving on many committees and commissions of the Conference, Rev. Bryant said he now "feels it is time to slow up a bit and catch up on vacation, fishing and taking trips when he likes."

After May 27 the Bryants will live at 1204 N. State street in Marion.

## New Psychiatrist Named At Alton State Hospital

Dr. Rudolph V. Basso, a Vienna-born psychiatrist and graduate of the University of Vienna School of Medicine, has been named to the medical staff of Alton State Hospital, Dr. Abraham Simon, superintendent, said today.

His primary responsibility will be to assist in psychiatric examinations and diagnosis of newly-admitted patients in the male receiving ward. Dr. Basso has more than 25 years experience in psychiatric work at state hospitals and in private practice.

"The X-Ray is not wrong, doctor, it's two ulcers, I've got two stores!"

If this cartoon were true, we would have 22 ulcers. However, our executives don't seem to have time to worry and thus we have raised a group of contented men. We don't work our men too hard (we don't feel 70 hours a week is excessive). After all, what could they do if they weren't working, just silly things like being with their families, hunting, fishing, golfing, hunting, etc., and this type of activity would only lead to mischief. We do allow them 15 minute lunch hours and 4 hours of sleep at night, what else could one ask for?

You can be very sure, however, that all this effort is put towards giving Tri-City Grocery Co. customers the best merchandise and products at the very best prices, whether it be Bill Long's, our vice-pres. in charge of produce and frozen foods, or Claude Miller in charge of our meat dept., they are working for only one person, YOU, our customer... without YOU, we are lost.

By the way, there are still a few choice executive jobs open, if you don't know what to do with your spare time.

### MORE ABOUT

## Madison Council

(Continued from Page 1.)

Wojcik, comptroller, E. J. Miller, superintendent of streets, Stanley Lucas, head of office, Sam Chomko, assistant health officer, Mike Kriesch, custodian, Joseph Smith, planning and sewer inspector, Clayton T. Newton, building inspector, Steve G. Kama, highway consultant (bridge), Joseph B. Brooks, bridge consulting engineers, Hardesty and Davis, bridge superintendent, Jerry S. Maers, civil defense director, Harry R. Johnson, bridge auditors, Moll, Blum, Rome and Co.

**MFT Appropriation**

In other actions, the council appropriated an additional \$16,670 for fuel tax funds to complete payments on the city share of widening and resurfacing of Madison avenue. The city's share totaled \$33,224, not including about \$12,000 in engineering fees. The city previously appropriated \$37,000 of MFT funds for the project in an arrangement in which the state paid 75% and the city 25%.

Heard a report from the city attorney that a circuit court action by the city to enforce raising of a two-story building at 1416 Third street, Madison, which has been condemned. The building is owned by Rno Zerkulien. In an opinion, it was learned that the local court had no jurisdiction in ordering raising of the property, but a \$200 fine was upheld.

Vassiloff said a new inspection of the building will be made. Zerkulien will be given 30 days to comply with instructions, and if he fails to improve on the property, action will be taken in circuit court. If he fails to pay the fine, a warrant will be issued directing that the fine be paid, the city attorney said, and if this is unsuccessful, it is to be placed in jail.

The mayor said, "We are doing everything we can in this case, but we must follow the directives of the court. He noted the city has been at work several years on the case."

**Pump Station**

Authorized the mayor to notify the Illinois Power Co. that the city will assume responsibility for energy provided by the utility at the new pump station being developed through cooperation of the East Side Levee and Sanitary District and the federal government. The utility is to install two meters at the station.

The mayor said work at the pump station should be completed this month.

Authorized Venice-Madison American Legion Post 307 to hold a Memorial Day parade May 30 starting at 9 a.m. from Seventh street and Lee avenue. The group will march to the Legion home on Broadway, where services will be held.

**Rabies Shots Saturday**

Noted that the last of a series of rabies inoculations for dogs of Madison-Venice residents will be held from 4 to 5:30 p.m. Saturday at the Madison city garage. The fee is \$2.50, the survey amount to be paid by the city.

Chucked when the mayor asked why the cost of his surety bond was \$10,500 while that of Percy Lux, city clerk, and some other officials, was only \$10.

It was explained that the mayor's bond of \$5000 was \$1000 higher than the others.

## Hundley Named To State Job Survey Committee

John R. Hundley Jr., director of industrial relations and personnel for Granite City Steel Co., has been appointed by Gov. Otto Kerner to serve on an advisory committee that will assist in the initial planning for and analysis of the results of a survey to develop more accurate information on changes in the characteristics of the job market in Illinois, it was announced today.

The survey will be conducted by the U. S. Department of Labor in cooperation with the Illinois Department of Labor. Its purpose will be to uncover new information and new sources of information about employment and job vacancies. The survey was recommended by Gov. Kerner's special committee on unemployment in Illinois, which Mr. Hundley also served.

Mr. Hundley was a member of the commission for Aging and is a former member of the corporate board of Washington University in St. Louis. He lives at 15 Deer Creek Woods, Ladue, Mo.

### BRIDAL SHOWER

MRS. RANDALL  
Mrs. Donna Stuydhar Randall, a recent bride, was honored with a bridal shower Tuesday evening in the recreation room of the Third Baptist Church. Hostesses were Mrs. Helen Carrington and Mrs. Joyce Churchill.

Decorations were in keeping with the spring bride theme, the gift table being placed under a bridal bouquet and ribbon streamers. Arrangements of yellow and white spring flowers were used as centerpieces on the tables with white wedding bells.

Games were played and prizes were awarded to Mesdames Maxine Borchers, Fran McRaven, Ethel Stallings, Shirley Worster, Catherine Hommer, Janet Taylor, Laura Maples, Ruth Rotter, Rita Jurnich and Virginia Elliott.

Other guests were Mesdames

Maudie Jackson, Naomi Randall, Reydith Stallings, Lillian McRaven, Ruth Randall, Allie Smith, Lorene Heil, Pauline Weir, Juanita Kozakowski, Ellen Mitchell, Alena Hoson, Nancy Turner, Hazel Atchison, Katherine Reese, Lulu Edwards, Miss Phyllis Randall, Miss Karen Randall, Mesdames Ruth Hopkins, Mary Stuydhar, Betty Eggenmeyer, Evelyn Ervay, Pauline Broyfield and Sharon Alexandrian, Miss Carol Elliott, Miss Carole Miller, and Mrs. Trestia Stuydhar.

Mrs. Edith McGee, president, conducted a Froharty PTA board meeting Tuesday night at the school, with reports submitted by Mrs. Alice Worthen and Francis Herman. A convention report was heard, and the PTA installation meeting next Tuesday was planned.

Members present were Mesdames Lillian Russell, Elsie Rodell, Marty Herman, Martha Bewley and Marlene Manosogian, Joe Kaleta and Principal Harry Marshall.

MRS. TAPPEL HOSTESS  
TO NIQ CARD CLUB  
Mrs. Emma Tappel entertained the NIQ card club Tuesday eve-

ning in her home, 2200 Lee avenue. Pinchle was the game of the evening, and those holding the highest scores were Mrs. Ruby Hornberger, first, Mrs. Ann Shannon, second, and Mrs. Thelma Jacobsmeyer, third.

The hostess served a dessert luncheon to those named and Mesdames Ethel Weiss, Edith Lemontovich and three guests, Mesdames Jacobson, Ethel Gellman and Priscilla Young. The next meeting will be held June 11.

FINAL BOARD MEETING  
The final meeting of the Nameoki PTA board was held Tuesday evening at the school, with President Joe Hassler presiding and hearing reports from delegates to the state PTA convention in Chicago last month. All committees submitted reports on the year's activities.

The PTA meeting next Tuesday was discussed by Mrs. Evelyn Cross, Walter Volkmar, Ed Lorton, Mrs. Wilma McQuinn, Raymond Schuler, Ronald Coleman, Mrs. Betty Pecurka, Mrs. Beverly Foote, Mrs. Juanita Dulgeroff, Mary Ann Cowan, Mrs. Carol Merz, Glen F. Hermes and Principal Donald Kopp.

Auto Spins, Crashes  
Into Another Auto  
A northbound auto that went out of control on the old trolley tracks in the 1500 block of Madison avenue spun into a southbound auto about 9 p.m. Wednesday. No injuries were reported by police.

The northbound auto was being driven by Frances Odel, 22, of 1337 Second street, Madison, and the southbound by Florence Spohr, 60, of 1678 Third street.

### MORE ABOUT

## GC Steel Orders Up

(Continued from Page 1)

"makes us self-sufficient on our coke supply," re-lining of the "A" blast furnace which was blown-in last April 8 with an increased production capacity, open hearth changes resulting in production increases and improvements in the hot and cold strip and galvanizing lines. Some of the improvements are not yet completed, he said.

The board chairman also expects the steel industry and Granite City Steel to hold their own in the future despite competition from other basic products.

During a lively question-and-answer session, in which one stockholder remarked that stock brokers have a dim view of the future of the steel industry, Veeder said "we have a lot of competition we did not have five or six years ago."

"I'm not in the least bit discouraged with what stock brokers have to say about the steel industry," he said. "I can remember when we first got around to beer cans. We all saw what happened since. Tin plate became the largest single market."

He pointed to the increasing use of cans in the soft drink industry, which is greater than three times that of beer. "We'll

see a substantial growth here," he said.

The Granite subsidiary also is introducing new products for the construction industry, including highway construction, he said. Company executives are closely watching developments of a continuous casting process, which so far has not been adopted for flat rolled carbon steel, he said.

Veeder added that a company in Wales has built a slab-casting machine "to make products the same as ours. They are six to eight months behind schedule on this step immediately," but "we are watching it very carefully. It does not tie in very effectively with open hearth operations."

Construction of new mills in the Chicago area should have little effect on Granite City Steel, Veeder said, as the Chicago steel industry has been unable to supply the demand there and the local firm manufactures its products principally in the south, southeast and west.

Report on Japan  
Veeder, who returned from Japan Monday, said "I saw a number of things which were very interesting and we're going to consider them very carefully."

He said in some cases the Japanese approach in operations have a lot of merit.

"I saw the newest and most advanced plants they have, and I'll be very frank to tell you they're very good. He added that the Japanese steel industry has voluntarily held back production in the last 10 months as growth has been too rapid.

When asked about the company's investment in exploration of mining possibilities in Bourbon, Mo., Veeder said "it does

not merit spending capital to open this up. But we've got the bird in our hand."

A report distributed to nearly 60 stockholders attending the meeting for the first quarter of 1963 showed net sales of \$33,495,000, net income of \$1,330,000, or earnings of four per cent, dividends on common stock of \$1,515,018, or 35 cents a share, 128,000 tons of ingot steel produced and 244,000 tons of flat rolled products shipped.

A report for 1962, which said Granite City Steel ranked 11th in earnings of four per cent, of \$136,401,000, net income of \$7,430,000, or earnings of 5.4%; dividends on common stock of \$6,059,000, or \$1.40 a share; wages, salaries and benefits of \$171,806,000, an average capital of \$31.188 invested per employee compared to \$20.120 in the steel industry; 1,209,000 tons of ingot steel produced and 970,000 tons of flat rolled products shipped.

A record of 3,755,851 shares, or 87.7% of the 4,282,623 shares of Granite City Steel common stock outstanding, were voted at a special meeting held by proxy. The stockholders re-elected the following members of the board of directors, in addition to Veeder:

Board Directors  
L. G. Bassell, New York, an attorney; Bertram B. Culver Jr., St. Louis, president of The Culver Educational Foundation; Alken W. Fisher, Pittsburgh, president of Fisher Scientific Co.; James L. Hamaker Jr., executive vice-president and general manager of sales; James F. Kleckhoffer, Milwaukee, vice-president of Loewi & Co. Inc.

Sidney Maestre, St. Louis, chairman of the executive committee of the Mercantile Trust Co.; Erwin Niedringhaus, vice-president in charge of the plant sales; William Rodgers, Pittsburgh, senior vice-president and general sales manager of Blue-Knox Co.; George B. Schierberg, St. Louis, chairman of the finance committee of the board of directors; and Leif J. Sverdrup, St. Louis, president of Sverdrup & Parcel and Associates Inc.

Sister Of Resident Dies In St. Louis  
Mrs. Stella Hogan, 63, of St. Louis, sister of Mrs. Jane Schlueter of Granite City died at 10 p.m. Tuesday at Barnes Hospital, St. Louis.

Services will be at 2:30 p.m. (tomorrow) at a St. Louis funeral home.

## Cerebral Palsy Fund Drive Here Friday Through Sunday

The United Cerebral Palsy Association, with Mrs. Mary H. Wolf of Cardinal avenue as Quad-City supervisor, will conduct 35-minute, house-to-house fund drives on Friday, Saturday and Sunday to raise \$10,000.

Mrs. Wolf announced that three-year-old Brian Sullivan, son of Mr. and Mrs. Billy Joe Sullivan, 13 Carolyn avenue, Mitchell, has been selected as the Quad-City campaign poster boy.

The small boy has suffered from cerebral palsy since he was a year old and must wear a back brace to sit up.

### 672 Sufferers In Country

She pointed out there are 672 youngsters in Madison county with cerebral palsy and one sufferer born every 33 minutes in this country.

Mrs. Wolf said that with contributions, the youngsters will be taught to walk and to talk and to cope with their handicaps.

In the campaign about 450 volunteers are to visit homes throughout the Quad-Cities on the three days.

Mrs. Wolf is being aided by Mrs. Charlotte A. Habs as clerk-typist, and the following persons for telephone work: Rosemarie Beverly Bracht, Rosemarie Finch, Zula Swade, Charlotte Temple and Norma Simpson.

### Two Minor Calls On 21st St. Answered By Firemen

Firemen had two runs a block apart on 21st street Tuesday afternoon in minor alarms. The first was to wash away gasoline that overflowed at Enos service station, 21st and Grand avenue at 3:15 p.m.

At 4:10 they returned to 21st and State streets where a car-burner backfire had caused a blaze under the hood of a de-

livery truck belonging to Bob's Band Box Cleaners. No damage was reported.

### Improper Muffler Charges

Two teenage motorists were arrested Tuesday by Granite City police on charges of operating motor vehicles with improper mufflers. They were David Harris, 17, of 1916 Adams street, and Herbert Lynn, 17, of 2304 St. Clair avenue.

### Three-Car Accident Occurs In Venice

A three-car accident occurred at 4:33 p.m. yesterday at Klein and Russell streets, Venice. John L. Robinson, 35, of 54 Lee Wright Homes, told police his brakes failed as he tried to halt at a stop sign. He struck the rear of a car driven by Fred D. Johnson, 46, Brooklyn, shoving him against a car driven by James Solo Banks, 35, of Brook-

lyn. The front end of the Robinson car and the trunk of Johnson's auto were damaged.

### Motorist In Crash Charged

A St. Louisan, Leo Powell, 39, was charged with failure to yield right-of-way following a crash Wednesday at 19th street and Madison avenue. The other driver was Georgia Province, 38, Edwardsville.

### Two Attend Education Workshop On Monday

Clifton Blankenship of A. O. Smith Corp. and M. A. Witte-rongel, administrative assistant for vocational and adult education in Granite City schools, attended a one-day workshop on citizens' participation in education held Monday at Southwest-ern Illinois University's Quad-

City Edwardsville campus. The workshop was sponsored jointly by SWIU and the Illinois Citizens Education Committee.

### Three Speeding Arrests

Three motorists were arrested Tuesday by Granite City police on charges of speeding. They were Jo Ann Hand, 22, Collinsville; Herman Akin, 24, Coulterville; and Jeanette Cross, 34, of 2417 Dewey avenue.

### 2 Madison Policemen Attend Training Course

Two members of the Madison police department, William Fanning and Ronald Grzywacz, are attending a basic police training course this week at Southern Illinois University, facilities on Little Grassy Lake south of Carbondale.

An advanced course will be held at Little Grassy May 19-23.

### Granite City PRESS-RECORD Thurs., May 16, 1963 Page 23

### Tire, Wheel Stolen

Wald Ramsey, 1647 Market street, Madison, reported to Madison police yesterday that a tire and wheel were stolen off the left front of his 1950 pickup truck either late Tuesday night or early yesterday.

MONDAY, MAY 16, 1938

A local chapter of the Quill and Scroll, a national organization of journalists, was instituted at the high school Saturday evening. Ten new members were initiated at a ceremony which was impressive and idealistic.

There are 2000 chapters of a Quill and Scroll in existence, membership in the organization being based upon scholastic excellence.

Professor Henry Nyboer was master of ceremonies for the program, with Miss Nina Rushfield taking an active part, as she does in the conducting of the Granite High World, Supt. Paul Grigby made a talk, accepting the class that was initiated.

The initiating team was composed of seven young men and young women of the high school who lighted the torches, followed, along with that ceremony, some description of the ideas that guide the members of the world. The class initiated as the first ten members of the local chapter. Katherine Smith, Ruth Rice, George Brown, Bill Winter, Anna May Allen, Thelma Mayes, Virginia Kruschke, Ruth Hamm and Martha Kuehse.

At least 100 students and guests were present. At the end of the program, ice cream and cake were served and the evening was enjoyed by a couple of hours.

The speaker was E. E. Campbell of the Press-Record who reminded them that, as Miss Rushfield said, it is necessary for journalists to work to "fight for your rights and for your ideals."

Madison high school commercial students won seven awards in the state commercial contest held at the University of Illinois Friday and Saturday. They were awarded three gold certificates for the school and three gold individual pins.

First place in the three-minute open typing event was won by Marie Kinloch, who typed 87 words per minute with no errors. Eunice Hatcher placed third in the 120-word shorthand contest with an average being 98.5.

In the 90-word shorthand event, Doris Mae Peterson placed third with an average of 51.5. The latter event was difficult, but in the past years, the transcribing is done with typewriters instead of being written, and typing errors are corrected as well as shorthand errors.

Madison students entered in the mass contest on April 6, results of which were announced at the state meet, placed second, both the novice and amateur events, ten being entered in each event. Average of the students gave Madison second place in the state.

The following entrants, trained by Miss Frieda Michel and Miss Dorothy Hanner, participated: Mildred Barker, Leonard Karpowicz, Beryl Smith, Catherine Lewis, Margie Deering, Anastasia Gilho, Marian Chizek, Lucille Hoadley and Daphne Bolin, novice; and Marie Kinloch, Evelyn Cravens, Doris Mae Peterson, Irene Nornberg, Thelma Kriak, Irene Kriak, Daphne Bolin, Lauretta Hoffmeyer, Helen James and Lorraine Prusak, amateur.

Mrs. John Kane of Warren, Ohio, national president of the Women's Welsh Clubs of America, who was the house guest of Mr. and Mrs. Dawson Pugh, Grand avenue the past night, left Saturday for Elwood, Ind.

Mrs. Kane was here in the interest of the Welsh Home for the Aged in Cleveland, and during her stay spoke before several of the Welsh organizations of Granite City.

For the second consecutive year, East Side Boys' Club athletes won the district track and field meet which was held Saturday at the University of Illinois. The club won 24 points, while the nearest rival, Granite City, collected 24 points. Granite City was third with 22 1/2 points.

Granite City will send three youths and Madison will be represented at the state finals in one event. Love, who was the local athlete to win a first place, will take part in the state discus competition for Granite City.

Schmidt, as second-place winner in the 120 yard hurdles, and Brown, who took second in the 440 yds. race, are the other two Granite City youths going to the state finals. Schmidt, who took second in the 440 yds. race, is the other two Granite City youths going to the state finals. Schmidt, who took second in the 440 yds. race, is the other two Granite City youths going to the state finals.

It is not the law. The Democratic and Republican parties are both represented by the judges, so there is not too much danger of one judge judging incorrectly for his party's candidate.

I realize it is rather confusing when a person comes to a polling place and runs the gauntlet of giving name, checking on registration card, getting a ballot, and then being enclosed in a little booth with a myriad of names and instructions. It is not so long as it seems. It is a person's vote to count a second to concentrate on how to mark his ballot, it could be a waste of time.

The majority of spoiled ballots are made by people who are accustomed to making their marks, and subconsciously fill in all the squares with nice, neat check marks which cannot be counted.

It is very clear to the judges for whom the person wishes to vote, as it is marked incorrectly. As was brought out in last election, it could cause trouble if a recount were made. MRS. X.

DISCRIMINATION WEAKENS U.S. WHEN UNITY NEEDED To the Editor: The time has come to change the name of our country to the United States. That's what it is—the United States. I am a German. I think white people are in the wrong when they say, "You're a Negro, you're a Jew, you're a Communist, you're a KKK." I just want them to keep to themselves and out of my life. If these people are made to go to this stupid fighting.

Readers are invited to contribute to this column. Name and address must accompany each communication. No identity of author will be revealed if anonymity is requested. Letters should be 250 words or less.

He was under 14 when he enlisted. A thousand or more boys volunteered for the Navy in the Civil War. Their job: powder monkey, meaning they toted gunpowder from the front to the rear. They were just about the right age to play Little League baseball, and they were the best of the Civil War.

A century ago, they moved the powder kegs with their backs to the front. They were the best of the Civil War. They were the best of the Civil War. They were the best of the Civil War.

MRS. SYLVIA TURNER, Civil War Republican Chairman, Daughters of Union Veterans, Tent 90

VOTERS CAN CUT NUMBER OF SPOILED BALLOTS To the Editor: The recent recount of votes brings out an important point. No matter which candidate you want to vote for, no matter how hard you work for him, the vote will not count if it is not marked correctly. It is a shame that after a person takes the time and effort to vote, the vote cannot be counted if they have not made a proper mark. It is not the "out of my life" to disqualify these bal-

disaster preparedness HERE CAN SAVE LIVES To the Editor: We at St. Elizabeth Hospital would like to publicly thank all those who participated in our mock disaster. Without the aid of Miss Lerner and her mother, the students, the funeral directors, police defense workers, Bowland with their bus and driver, the Vivian Hall, our high school Candy Strippers and Pink Ladies, the press and radio, we could never have been able to stage our disaster and test our plan. Being prepared for a disaster might mean the difference of life and death. The cooperation we receive was a real service to our hospital and our community.

Leave Board 'Aid' A False Lie To Regain Uncontrolled Bonding Power

As Rep. Ralph T. Smith has said, elimination of the local non-refundable bonding power was accomplished only after repeated efforts. It would be a sorry step backward if the state legislature restored the board's authority to spend freely from Quad-City's pocketbooks without the people's approval.

The tempting bait for local residents is a plan to provide badly needed funds for Granite City police-drainage improvement and for installation of drainage lines in Nameoki township. But if Quad-City were to jump at the offer, they would be just like the poor fish-hooked.

Once too often in regard to "aid" by the levee district, which gets 40% of its money from Quad-City home owners and personal property owners but does not have 40% of local representation and spends far more than 40% of its funds here. It will be recalled that millions of dollars of proffered drainage assistance gradually dwindled to nothing at all. As if this was not enough injury, insult was added in the form of a "blackmail" offer—\$100,000 in return for withdrawal of legal opposition to a bond issue that further aggravated the imbalance in spending between southern and northern sections of the district.

The story has been a long and sad one. Legislators will be wise in refusing any Bureau President, chapter of the type proposed by the levee trustees.

Nature is grand until the weeds begin to grow.

Wheat Buy Brings Threat Of Rapid Gain In Federal Agriculture Control

"The basic issue is whether the farms of America are to be managed by farmers or a government bureaucracy," the American Farm Bureau Federation said in a "yes" vote on nationwide wheat control referendum Tuesday, May 21. Several other major agricultural groups have taken similar stands.

The warning is of general interest because, as the Farm Bureau points out, "Anything that affects the feed situation will, in time, affect related industries that account for 55% of the total receipts from farm marketings." It is a supply management road first with wheat and then with feed grains, we will have taken a long step toward compulsory controls for poultry, livestock and dairy products.

Farm subsidies are nothing new, but the current proposal involves "the tightest, most binding governmental controls ever seriously considered for any farm commodity," says the Farm Bureau. It is a "no" vote in order May 21 for the 100,000 Illinois wheat growers, despite intense farm propaganda and the lure of high price supports.

The choice seems to be between rejection, prompting Congress to draw up a more realistic program, or enabling the Department of Agriculture to control prices and production generally by manipulating the crops that feed livestock and poultry.

By the current favorable position of turkey growers, who defeated a control referendum last year, a "no" vote is in order May 21 for the 100,000 Illinois wheat growers, despite intense farm propaganda and the lure of high price supports.

to their own schools, churches, restaurants, pools, towns, etc. they are not free. What we are saying is, "You are free to do and go where and as you please, so long as you stay in the place."

What's the matter with this situation? In the first place, the Negroes don't like it one bit, and I don't blame them. When the time comes for a war, the white people will expect them to pitch in and help fight for freedom. Why should they fight for something they don't have? They have to do it so long as we don't step on any toes.

Second, and more important, we go to church, on Sunday and sometimes more often to learn the word of God. He tells us to "love thy neighbor." He does not say, "Love thy neighbor, unless he is a Negro." He says "love thy neighbor" no matter if he is black, white, red, yellow or green.

Also, speaking about the Bible, it says, "A nation divided against itself shall perish." If the U. S. is not dividing against itself, it is dividing against the world. The Russians will not have to fight us; all they have to do is have a nuclear war. We must stand together as one united country, in order to remain free. I believe in God and in the Bible, he should be able to see that he is wrong. The time has come to change the name of our country to the United States. That's what it is—the United States. I am a German. I think white people are in the wrong when they say, "You're a Negro, you're a Jew, you're a Communist, you're a KKK." I just want them to keep to themselves and out of my life. Also, speaking about the Bible, it says, "A nation divided against itself shall perish." If the U. S. is not dividing against itself, it is dividing against the world. The Russians will not have to fight us; all they have to do is have a nuclear war. We must stand together as one united country, in order to remain free. I believe in God and in the Bible, he should be able to see that he is wrong. The time has come to change the name of our country to the United States. That's what it is—the United States. I am a German. I think white people are in the wrong when they say, "You're a Negro, you're a Jew, you're a Communist, you're a KKK." I just want them to keep to themselves and out of my life. What's the matter with this situation? In the first place, the Negroes don't like it one bit, and I don't blame them. When the time comes for a war, the white people will expect them to pitch in and help fight for freedom. Why should they fight for something they don't have? ## Election Study Stimulating

Interest In Citizenship Duties

"Impatient to wait three years to vote." This is a good word used by students to leave high school, and that in the way 67 Granite City seniors feel, judging by their detailed reports on the April municipal election. The study proved enlightening to them and simultaneously instilled an intense desire to fulfill their future citizenship duties.

That their reactions to the candidates generally were favorable is of interest. Most public officials are sincerely motivated, and not enough people realize that they devote long and conscientious efforts toward complying with the wishes of their constituents.

In the particular election placed under scrutiny, the overriding factor was that not enough of the incumbents exhibited a sufficient level of dedication to the public interest. As noted by the students, the voting booth is a "great equalizer," and it enabled Granite Cityans to reassess their rightful influence over the handling of governmental affairs.

Attentiveness of the seniors' analyses is indicated not only by their summaries of what happened and why, but also by their recognition that the job confronting voters has not ended. Citizens need to remain in close contact with the issues and with the officials throughout the period between elections.

Self-control is a virtue that individuals recommend to their friends.

Challenging Role For Fischer As Head Of Illinois Bankers

Election of Harold R. Fischer as 1963-64 president of the Illinois Bankers Association is a distinct honor for Quad-City area, which boasts a former IBA president, Henry D. Karandjeff.

That the coming year's duties will be challenging rather than mere ceremonial is shown by the fact that branch banking is being proposed in the state legislature for the third time in five years.

A staunch foe of "branching" and its tendency to centralize economic power in huge financial institutions, Fischer, who is a Southern Illinois University trustee, will have an additional opportunity for significant public service in leading the opposition by the more than 90% Illinois banks representing the branch bank movement as a threat to fair competition.

Hump In Route 67a Taking Heavy Toll

Diversion of traffic to the new riverfront road will come none too soon. The "hump" in Alternate Route 67a north of Granite City is becoming a major motorist nuisance, and a road exit at the Quad-Cities and a curve hazard in St. Louis county.

The three fatalities occurring Monday night represented the second multiple-death accident in less than six months at a point in the highway where there is almost an imperceptible rise. Vision ahead is blocked, but the fact is not enough to make motorists and drivers take extra care at the same location adds to the hazard.

The "hump" is accounting for more than a fourth of all Quad-City area traffic deaths. It is a major hazard, but until then additional steps—including large warning notices along the present route—are needed if the number of unnecessary tragedies is to be reduced.

Industrial Growth Creates Healthier Economy For All

Industrial development—expansion of existing plants and establishment of new ones—has been just as intangible a value but rather a direct benefit to a community and its residents, as indicated by statistics assembled on the subject.

For each 100 additional industrial jobs, average annual income for 259 more people with 100 new households, 97 more passenger cars, 91 extra school children and enough new business to create 65 non-manufacturing jobs. Personal income rises \$710,000 a year, retail sales advance \$331,000 and bank deposits increase \$229,000.

Just as wealth creates wealth, paying and purchasing generate more wages and payroll, so the result is that the more people who work throughout the U. S. are competing for a common goal—industrial growth.

## NATIONAL CONFERENCE ON SPACE HELD IN ILLINOIS

The Third National Conference on the Peaceful Use of Space, held last week in Chicago, was another aspect of our drive to secure for Illinois a greater role in the space programs of our nation, with its resultant economic benefit.

Businessmen from Illinois and new midwest were enabled, at this conference, to learn about our nation's space programs and their possible part in them the procedures of obtaining procurement contracts, the products that they can produce for the vast programs.

In a speech to the final session of the conference, I told the participants that now is the time to secure or create the vehicle through which the role we desire can be transformed from wish into reality.

Second, the midwest, as we have said before, lagged for four years while others moved ahead in the space program. We have been working at various levels and in various ways to make up the lag.

## MHS Prom Held In Roman Setting; Service Sunday

By Diana Fox

The annual junior-senior prom at the Madison high school gymnasium featured decorations to fit the theme of a Roman Holiday. Blue crepe flowed across the ceiling, giving the effect of a blue sky while the scene below was decorated befitting a Roman garden.

A large white horse and chariot complete with a Roman warrior and girl were placed near a colorful fountain. Long tables covered with white cloths were placed along the walls at opposite ends of the gym and gold and violet candles were placed on them.

White stone benches, concrete urns and potted ferns helped add to the atmosphere while tall white pillars encircled with laurel truly gave the illusion of a Roman Holiday.

Swords were given to the boys and golden goblets to the girls as favors from their holiday occasion.

The juniors planned and decorated the gym under the supervision of Miss Jean Bethel. Extra money for the prom was earned by this hard-working group in a car wash and various other extra activities.

The MHS baccalaureate service will be held this Sunday at 8 p.m. in the high school auditorium. The Rev. Kiril Antonoff, pastor of the Holy Trinity Bulgarian Eastern Orthodox Church, will give the prayer and sermon. The high school chorus, position in Canal Fulton, Ohio, under the direction of Mrs. Robert Stevens, will sing three selections, including the Lord's Prayer.

Awards day at MHS took place today with Donna Dowd and Larry Lux as masters of ceremony. Awards were given to the outstanding students in the school and members of various clubs were recognized. Acts from the annual talent show were used to entertain the student body.

## Bob Butler To Act, Work In Summer Stock Theater

By Karen Durbin

Robert Butler, president of the Granite City high school student body, has accepted a position in the professional summer stock theater.

In the 12-week job, beginning June 9 and ending Aug. 31, Bob will receive experience in acting, assist the director, run errands for the actors and do other odd jobs. He will work with stars Pat O'Brien, Joe E. Brown, Hermione Gingold and Ingeborg Berg.

Among plays to be presented are "Flower Drum Song" and "The House of the August Moon."

Bob, son of Mr. and Mrs. Robert O. Butler, 3184 Aubrey ave.

He has won various speech and drama awards. Last summer he attended the Northwestern University high school institute for drama. There he was cast as the lead in the play "Our Town" and received the Highest Award Trophy for his acting.

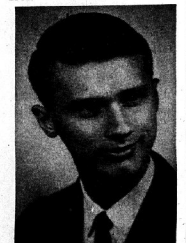

He received a \$500 second-place scholarship in the Optimist International oratorical contest and was named a winner in an English contest sponsored by the National Council of Teachers of English. He has written plays and poems and received honorable mention in a national playwriting contest. Samples of his poetry have been printed in national magazines.

An honor student, Bob was a finalist in the National Merit Scholarship competition and received a \$600 scholarship from the State Scholarship Commission. He plans to attend Northwestern University this fall on the scholarship and will major in drama.

He played the lead in the senior class play, "Death Takes a Holiday," this year. He also played the lead in the Homecoming play, "Pygmalion," last fall. Last year he had the lead in the Homecoming play, "Charles Aunt," and was student producer of the Junior Folies. He also appeared in class plays and in the sophomore class play.

Bob is a member of advanced speech, the National Honor Society and is president of Mique & Gavel, an honorary speech club. He was president of his top sophomore class and his low junior class.

He also was named Optimist "Youth of the Month" in July 1961.

ROBERT BUTLER, president of the Granite City high school student body, who will act and work in professional summer stock theater this summer in Canal Fulton, Ohio.

## GCHS Seniors To Be Busy Prior To Graduation

Seniors at Granite City high school have a busy schedule before commencement exercises on June 7.

Special activities, which began with the May Day program last Thursday and Friday, will continue on Monday, the date of "Tacky Day."

The annual recognition assembly and senior tea is set for next Wednesday, and the senior banquet for May 28.

The baccalaureate service will be Sunday, June 2, and the baccalaureate practice will be held on the previous Friday. Senior meetings are scheduled June 3 and 4, and commencement practice will be held June 5.

An annual highlight will be a boat excursion on the Admiral down the Mississippi river. Meanwhile, there is plenty of studying to do, especially with final examinations coming up.

## Senior At GCHS Places Second For Scholarship

Linda McCollegan, Granite City high school senior, was runner-up in national competition for the Brunswick youth fitness scholarship. It was announced by Miss Barbara Kerch, physical education supervisor. About 1700 students competed for this and two similar awards, the AMF-Voit fitness scholarship for a boy and the E. R. Moore teaching scholarship for a girl.

An annual award of \$500, renewable each year for four years, is given each scholarship winner. In the event the winner Miss McCollegan is the daughter of Mr. and Mrs. Fred McCollegan and is noted for her achievements in the St. Louis area in diving and gymnastics. She plans to enter Eastern Illinois University, Charleston, in September in the school of physical education.

**VHS UNDERCLASSMEN** are happy as most of them realize they have only five more days of school. They also will have a short period at 9 a.m. next Friday morning for the annual recognition assembly. The faculty and organizations will recognize students who have done outstanding work during the school year.

RED CROSS COUNCIL MEMBERS held a council party Saturday night from 7 to 9:30 in the VHS student lounge.

THE SCHOOL BAND presented a program to the students Monday afternoon. The band featured numbers played at last Friday's spring concert and several specialties. The program included "Hall of Fame," "Mountain Majesty," "American Folk Rhapsody," "Civil War Suite," "Gypsy Love Song," a tubaphone group exhibition and several leaders who loaned the rudiments of musical instruments. "Swing Bolero," "Petite Classique" by a clarinet quartet, "Magnificent Seven" and "Highlights from "Music Man".

A SOCK HOP was the major discussion before the student council yesterday morning. Last minute plans were being completed, with committee reports being heard from chairmen. The hop will be Friday night in the school gym. The hop and prom are the only dances permitted in the gym and is usually well attended. Free refreshments will be served. It will begin at 7:30 p.m. Prizes for the best dressed girl will be presented, along with other awards.

The hop will conclude student council activities for the year. Those presenting reports were Marilyn Gonterman, entertainment chairman; Mary Margaret Russo, refreshment chairman; and Barbara Manier, public chairman.

A BAND PARTY was held last night for G. Irwin Ballard who recently resigned as band director. Musicians secretly arranged with Mrs. Ballard to have the director at the school for the evening in planning the

Mrs. Ruth Eberhart of Granite City and Carol Cook of Madison, students at Southwestern Illinois University were among 88 students of the Quad-City Edwardsville campus to be recognized for their "B" grade average for membership.

## Choral Salute To State Planned At Coolidge School

"A Salute to Illinois" will highlight a concert of vocal music in the Coolidge junior high school gymnasium at 7:30 p.m. Monday, May 20.

The program will be presented by Coolidge choral students directed by Mrs. Pauline Frazier. The public is being invited, and there will be no charge. Over 300 students will take part.

The "evening of song" will open with "A Tribute to Song" by the combined groups, "Now Let Every Tongue Adore Thee" by the freshman mixed chorus and "Lovely Appare" by the mixed chorus and girls' glee club.

After the girls' glee club presents "Say It With Music" and "Hi-Lite, Hi-Lo," Ronald Troyer, soloist, will present "The Happy Wanderer." The seventh-eighth grades chorus will present "Goin' to Boston," while "This Land Is Your Land" will feature four guitarists, Bob Beaver, Lee Cooper, Larry Harris and Randy Hildreth.

"Wait Till I Get On My Robe," will be sung by the boys' glee club, and there will be a piano solo, "Garden in the Rain," by Janice Veizer. The freshman chorus will present "Torch-O-Rah" and "On the Banks of Jordan," and then will join with the girls' glee club in rendering "Thou Who Wast God."

State Song  
 Following presentation of ninth grade vocal students, the salute to Illinois will begin with Marsha Galloway as narrator. The combined choruses will sing the state song, "Illinois," and the girls' glee club will present "O Sender of Dreams."

"Also in Illinois" by the freshman chorus will be followed by "Years of Decision," sung by the glee club and freshman chorus with Phyllis Randall as drum soloist.

Three dancers, Mary Beresky, Judy Friedman and Joy Hall, will perform as the girls' glee club sings "Chicago."

Combined groups will present "Hail to the Orange," a University of Illinois song, and a "Sweetheart of Sigma Chi" pantomime will be carried out by Bob Aschick, Emory Ackerson, Sharon Koch and Frank Vivod, with boys' glee club accompaniment.

Concluding numbers will be "Granite City in the U.S.A." by a girls' ensemble, and "Hail to Our School" and "America Our Heritage" by the combined groups.

## Lecture On Mountain Climbing At Alton

Over 800 Rotarians have registered thus far for the 1963 international convention June 9-13 in St. Louis. Granite City Rotarians were told Tuesday by Eldon Farnum, convention registration chairman, and Russell Scheffer, co-chairman.

The speakers emphasized that attendance will not be permitted at any of the convention activities unless the individual has registered. Pre-convention registration deadline was May 1, but it was indicated that efforts will be made to handle additional applications in order to avoid long lines at the registration desk during the convention.

The visitors showed a black-and-white film, "Meet Me in St. Louis," which depicted entertainment and sightseeing opportunities available to those coming to the convention from all parts of the world.

President Gerald Broadway presided, and Edward Meng served as program chairman in the absence of Muri Anderson, who was undergoing hospital tests.

It was announced that there was 100% attendance at the May 7 meeting and that additional housing accommodations are needed for members of the Be-It, Wis. YMCA boys' choir, which will present an evening concert at the First Presbyterian Church, Granite City, June 11 before singing the next day at the Rotary convention. Those able to house one or more of the 100 boys for a night are contacting Charles Gavin.

The club discussed its benefit horse show, which will take place Sunday, Aug. 25. James Louis is chairman and B. E. Moody and Loren Davis are co-chairmen of the show.

# I-C Clubs Test Strength In Own Divisions Sunday; Mercer Goes After 3rd Win

The majority of Inter-City Baseball League teams will get the opportunity to test relative strength within their own divisions Sunday with eight of the 10 entries scheduled against fellow Blue or Red loop members.

Granite City's Mercer-Funeral Home, unbeaten in two outings but down in third place in the Blue division nevertheless, will play at home in Wilson Park against 1961-62 cup champion Pocatontos.

Mercer has a chance to move past the 3-0 Braves into second place, if the GC team can come up with a winning effort.

First-place St. Clair Heating, the only club in either division for the first time last Sunday on First-place St. Clair Heating, the only club in either division which was able to get in each of its scheduled games without dropping at least one.

Manager Paul Schuler's pinch runner in the ninth, could climb into first place in the Red division.

## Teenage Acrobatics Class Offered At 'Y'

An acrobatics class for young students will begin at the YMCA May 21 and continue through July 9, meeting each Tuesday from 8 to 10 p.m.

Instructors will be Marvin Reading and Jim Fiedler. Apparatus used will include the trampoline, parallel bars, balance beam, horizontal bar, and the still and flying rings. Instruction also will be offered in tumbling.

An intrasquad meet will be held at the conclusion of the program, with first and second place medals awarded in each category based on form and degree of difficulty.

Performance and mounting and dismounting of equipment. Trophies will be awarded to the boy and girl with the highest combined point totals.

## Coolidge Holds Off Cahokia Fresh, 4-3

Coolidge nipped Cahokia on the losers' diamond Monday afternoon in a non-conference baseball contest between ninth grade clubs, 4-3.

Tommy Barnett pitched four-hit ball for the winners, and drove in two of the three runs during the Braves in the second inning with a double. Terry Pritchard's single then scored Barnett.

The deciding run came in the seventh when Larry Ripka connected for a solo home run. Cahokia scored once in the first and twice in the last of the seventh. Coolidge totaled eight hits.

## Chiefs Nip Roxana In Conference Play

Three one-run innings were enough for Prather and winning pitcher Mickey Shambo here Monday afternoon.

Chiefs defeated Roxana 3-2 in a Junior High conference baseball contest.

Shambo pitched five-hit baseball and drove in Prather's first run after Fred Hoffman was tripped in the second. Rich Martinez tripled in the third and Bill Cox drove him home with a sacrifice fly.

Roxana runs also doubled in the final Prather run in the sixth.

Roxana runs were unearned. The Chiefs committed five errors in the game.

## Bubblemasters Report Spearfishing Success

Members of the Bubblemasters Diving Club returned here early this week after the most successful underwater spearfishing venture in the club's history.

Good underwater visibility off Arrowhead Point on Table Rock Lake near Reed Springs, Mo., was credited as a major factor in the spearfishing success. The club also shot its first underwater photographs, using a specially constructed water-tight plastic camera case.

## Participates In Navy's People-To-People Program

James F. Edmiston, fire control technician seaman, USN, son of Mr. and Mrs. William Edmiston of 213 Abbott street, Venice, returned to Norfolk, Va., early this month aboard the dock landing ship USS Spiegel Grove following visits to ports in Africa and South America.

The three-month tour was the Spiegel Grove's participation in Spant Amity IV, the Navy's people-people program in the South Atlantic. The ship was visited by thousands of persons in African ports before she returned to the United States via Brazil. It delivered tons of Operation Handclasp cargo to welfare organizations and missions in the African ports. The cargo was donated in the U. S. for distribution to needy families overseas.

## Pfc. Frank Griffith Named 'Soldier Of The Month'

Pfc. Frank G. Griffith Jr., 24, whose parents live at 2610 Jordan avenue, was named "soldier of the month" of the 10th Air Transport Brigade at Ft. Benning, Ga. He has been in the service nine months and previously worked in storeroom purchasing at Granite City Steel Co.

Pfc. Griffith is assigned to the provost marshal office in headquarters detachment of the 30th Air Transport Bn.

## Completes Recruit Training

Larry E. Lewis, son of Mrs. Martha E. Lewis of 2304 Iowa street, has completed recruit training at the Training Center, San Diego, Calif. The nine-week indoctrination to Navy life included training in seamanship, basic military law, discipline, customs and etiquette of the naval service, physical fitness, first aid and military drill.

POOL PAINTERS Clarence Collins (left) and Dale Rea put finishing touches to the yearly job of preparing the Wilson Park facility for a summer of fun and sun by applying waterproof black paint to the lane markers on the pool floor. Park district plans to open the pool over the Memorial Day weekend.

## Realtors Aim For Squirrels In Park

The Granite City Realty Board is attempting to obtain some squirrels to be placed in Wilson Park.

Francis Judd, public relations chairman for the board, said white squirrels are particularly desirable, but may be obtained only in Olney, Ill.

Lewis E. Martin, administrative assistant in the Illinois Department of Conservation, suggested in a letter to Judd that Mayor Davis write the mayor of Olney.

He added that department employees will catch some fox squirrels for the local park this fall.

## Prather JHS Band Concert To Be Given Next Tuesday

The Prather junior high school band, under the direction of Miss Elaine Mayhew, will present its third annual concert next Tuesday at 8 p.m. in the school gymnasium. There are 65 students in the band.

Band selections will be "New Horizons" concert march by Walters; Bach's "Sheep May Safely Graze" as transcribed by Gardner; "Minuet Italienne," the Third Movement of the Italian Symphony, composed by Mendelssohn and arranged by Logan; "Casa Grande" by Gass, a musical picture of the Great Southwest; highlights from the Broadway musical "Do Re Mi" as arranged for band by Yoder; Bush's "Mill Mountain, Roanoke," and "Bossa Nova" by Walters.

Also featured will be three special numbers by ninth grade band students—two solos and one ensemble. Kathleen Chastain will play "The Butterfly" by Kohler, a flute solo; and Janet Reader, a French horn solo "Cavatina" by Bakaleinikoff. A flute quartet composed of Kathleen Chastain, Laura Jensen, Phyllis Berger and Linda Melichar will present "Valse Staccato" by Rubinstein-Fetherston. Admission is free, and the public is invited to attend.

## No Stand By MECCA On Area Plan Commission

No position was taken on the Southwestern Illinois Area Planning Commission proposal at a meeting Monday evening in Wood River of the Metro-East Chambers of Commerce Association.

"Two-thirds action would have been necessary, and it was noted that the commission plan has been endorsed by East St. Louis, Wood River and Edwardsville Chambers but has been opposed by the Tri-Cities, Alton and Belleville groups. The East St. Louis Chamber originally was opposed but changed its stand after a revision of the proposal.

MECCA President Paul Lichtenberger presided at the dinner, and the gathering heard a report by Clifford Peake, Belleville C. C. manager, on a conference with Victor de Grazia, executive director of the State Board of Economic Development.

Peake said a cooperative program for promotion of industrial growth and development was worked out, with some of the existing problems solved. Others in the conference were Harlan Dobry, Tri-Cities C. C. manager, Francis Kase, of the Greater Alton Association of Commerce, Gene Graves, SBED industrial and community development director, and Frank Kirk, SBED district director at Herrin.

C. E. Townsend, a MECCA member and Bi-State Development Agency commissioner, reviewed the start of the Bi-State Transit System and noted that transfer discounts will begin May 20, with other improvements in service likely during the next one or two years.

## Restaurant Hit By Burglars 2nd Time

A second break-in in two days at Jo Ann's Cafe, West 20th street and Rock road, was reported to police Monday afternoon. The first break-in was reported Saturday evening.

In Monday's burglary, entrance was gained through a rear window into a washroom, the same method as used in the first burglary.

Taken in the second theft were cigarettes from a machine, candy, and money from a juke box and soda machine. Police said the new proprietor of the restaurant is Mrs. June Curnell of 1915 Steen street, Madison.

**SHERYL ANN**, the Mother's Day baby who arrived at 2:59 a.m. Monday at St. Elizabeth Hospital, couldn't care less, but her mother, Mrs. Eli Hook Jr., 2747 (rear) Washington avenue, expresses extreme delight upon being presented a bouquet of roses and a layette from St. Elizabeth Hospital. Making the presentation are Mrs. Albert Rongey, R.N., and Sr. Mary Jerome. The father, a General Steel Industries shear operator, received a 10% discount on the hospital bill, for the observance of hospital week.

## SIU Gets \$250,000 Psychology Grant

The U. S. Public Health Service has awarded more than a quarter-million dollars to Southern Illinois University to support its clinical psychology program, where about 30 master's and Ph.D. degree candidates are studying clinical psychology.

The grant totals \$253,648, and is to be paid over a four-year period beginning July 1. It will provide funds for eight graduate student fellowships each year, plus funds for clerical assistance, consultants and needed equipment.

Forrest B. Tyler, head of clinical training in the SIU psychology department, said the grant "constitutes an endorsement of the entire graduate psychology program at Southern."

## Exchange Student To Russia To Speak Here

The Men's Council of First United Presbyterian Church, 22nd street and Delmar avenue, is sponsoring a "Father-Son or Friend" dinner to be held Wednesday, May 22, at 6:30 p.m. in the dining room of the church.

William Hoffman, an exchange student to Russia, is presently general secretary of the YMCA in Anderson, Ind., and will be guest speaker at the meeting. After dismissal at 8:30 there will be a question and answer period for those who care to stay. Entertainment during the dinner will be by a men's quartet and other music.

Reservations may be made by May 22 by calling TR 6-6817 or TR 7-2358. Tickets are \$1.50 each.

## Recruit Training

Frederick J. Labory, son of Mr. and Mrs. Lewis F. Labory Jr., of 2043 Myrtle avenue, has completed recruit training at the Naval Training Center, San Diego, Calif. The nine-week training period covered seamanship, basic military law, physical fitness, first aid, swimming and survival and military drill.

A Chevy II wagon looks this big when you load it up

and this big when you gas it up

That, in the eyes of most Chevy II wagon owners, is just about the size of it. A king-size appetite for cargo. But a dainty one for gas. And this, we hardly need add, is just the kind of wagon we planned it to be. Taut and trim as it is on the outside, we went to great lengths to keep it BIG where a wagon should be BIG. The load platform extends a full nine feet from the back of the front seat to the tip of the lowered tailgate.

And for all the pepper we packed into that 6-cylinder engine (there's also a choice of an even thrifter 4 in most models), we were careful to keep it simple, easy to service—and a real stickler on economy. Feel in a traveling mood? Well—happy coincidence—this is the time of year your Chevrolet dealer feels in his most generous trading mood. Looks like it's high time you two got together.

Here's a repairman  
you seldom need!

... because today's telephones are so trouble-free  
But should you need a telephone repairman, his skills and modern tools will put your phone in good order.

No need to reach for your checkbook, though. Repairs are included as part of your telephone service. No extra charge!

Before this man leaves, take a good look at him... chances are you won't see another telephone repairman for years. Telephones are that trouble-free... and they keep right on improving. Our never-ending goal is to improve your telephone service and make it more valuable to you.

### Kiwanis Club Sees Film On Granco's Products

At Tharks of Granco, a subsidiary of Granite City Steel Co., narrated a color film on Granco and its products at a dinner meeting of the Granite City Kiwanis Club Monday at the Ellis lodge.

Tharks and the film showed how Granco's corrugated products are used in construction, particularly in floor, roof and highway construction.

He said Granco hires about 90 persons, employed in the steel mill's north plant, sells its products through distributors throughout the country and has the world's largest corrugating machine.

He was presented a certificate of appreciation for his appearance by Merlyn Hiscott. He was introduced by William Herman, immediate past president.

Plans were advanced for the Kiwanis-Bow Line's third annual boat race on June 16. A picnic was planned for June 9 at the home of Leland Britt in Ladue. Wives and guests will attend. Eugene Frey, club president, conducted the meeting.

### Fischer Elected IBA State President

The election of Harold R. Fischer as president of the Illinois Bankers Association took place Tuesday during the organization's 72nd convention, held at Peoria Sunday through Tuesday.

Fischer, who is president of the First Granite City National Bank, succeeds J. Ross Humphreys, president of the Central National Bank, Chicago, to the state post.

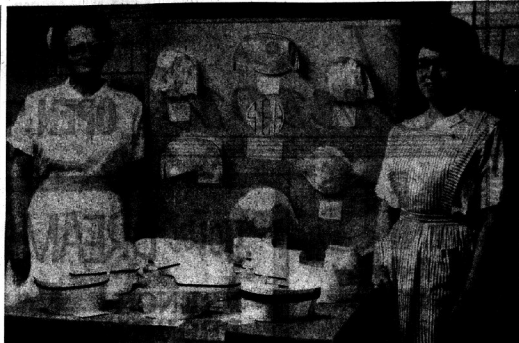

The local banker was treasurer of IBA in 1959, and served as vice-president in 1961 and 1962. He is currently a member of the executive committee, finance committee and council of administration. He also is a member of the American Bankers Association's executive committee.

### Kitchen Gas Stove Leaks

—No Damage Reported

Firemen from the main station went to the 1800 block of State street about 2:35 p.m. Monday when a kitchen gas stove was leaking gas and filling the home of Mrs. Maggie Watkins, 1814 State street.

A roomer had gone to the basement and shut off a main valve and no damage was reported.

### Box With \$70 Stolen From Bethesda Church

Theft of a small blue metal box containing \$70 from the youth department of Bethesda Baptist Church, 3035 Nameoki drive, was reported to police Monday afternoon.

Rev. Austin Fisher, pastor, said the theft occurred in the past several weeks, but it was not discovered the box was missing until Sunday. However, at that time it was believed to have been misplaced.

There was no sign of a forced entry, police said.

### Post Office Gives Book On Blair To GC Library

Abraham Lincoln's colorful and controversial Postmaster General, Montgomery Blair, is the subject of a new Post Office Department publication presented to the Granite City public library this week by Postmaster Theodore Overbeck.

The 48-page pamphlet is being issued by the department as part of its centennial celebration of the Paris Conference of 1883, held at the suggestion of Blair to solve international postal problems. Blair introduced free delivery mail in cities, the money order system and the railway post office.

## THE HOME YOU NOW OWN

# —how does it rate for electric value?

**IF YOUR HOME QUALIFIES FOR THIS CERTIFICATE... YOU'RE ALL SET.** Chances are good, should you want to sell, you would get the money you think it's worth.

No matter how attractive otherwise, if your home does not have an up-to-date electric system, potential buyers are apt to shy away in this age of electric living. And you might never get a good price.

Even if you have no intention of selling—you are missing a lot of the joy of life without full use of electricity!

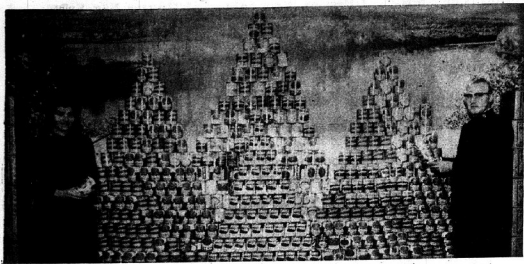

So have the wiring in your home checked against the standards set forth in the 100 Amp Reddy Living Award.

These include (a) a 3-wire 100 amp service entrance, (b) circuits planned for today's—and tomorrow's—needs, (c) the use of two or more major electric appliances.

If some re-wiring is indicated, you'll be well repaid in higher resale value—with this certificate as proof of value—and in more convenient living for yourself.

For complete details about the 100 Amp Reddy Living Award, call Illinois Power. No obligation of course.

#### Songwriting Contract

Ted Brazel, 2319 Logan street, son of Mrs. Laura Hays, 3148 Jill avenue, has signed a two-year songwriting contract with

the Blue Ribbon Music Co., Staunton, which will also serve as his agent in arranging recordings of his songs, it was announced this week.

#### Three GC Students At SIU To Be Honored

Among the more than 350 students at Southern Illinois University, Carbondale, to be honored for academic achievement in the annual Scholastic Honors Day Convocation today will be Karen G. Beng, 3015 Marshall avenue; and Hadley E. Thompson, 4170 Breckenridge lane, both seniors, and Robert P. Cruise, 1624 Spring avenue, who will receive a Granite City Scholarship.

In order to be recognized at Honors Day ceremonies juniors and seniors at the university must have maintained averages of at least 4.0 during all three quarters of the 1962-63 school year. This year the program will be held at 7:30 p. m. in Shryock Auditorium with a reception open to students, faculty, parents and the general public to follow in the University Center. Past honors programs have been held outdoors during the morning.

#### Salvation Army Week To Be Observed Locally May 19-26

The local Salvation Army Corps on Sunday will begin its observance of Salvation Army Week May 19-26 by dedicating itself to the varied services that it has rendered in the Quad-Cities continuously since 1922. Names of its officers, directors and members have changed with the passing years, but the work of the Salvation Army goes on as indicated by reports of current activity received from the commanding officer, Capt. Mildred Walker, Harry R. Johnson, Madison postmaster, is board chairman.

Church services attract an average of 30 persons and Sunday school attendance is usually 90, but several hundred youngsters participate in a three-pronged youth program each week, including spiritual, character-building and recreational activities. An expanded summer youth schedule is planned this year.

**Aid Needy, Disaster Victims**  
Material aid to the needy is carried out on a year-round basis. Christmas cheer is spread in the form of food and toys through annual Tree of Lights campaigns, summer camping is sponsored and the Salvation Army can be counted on to respond whenever disaster strikes.

It was in recognition of Salvation Army relief during the 1943 flood threat that business firms and labor unions made arrangements for the corps to acquire the present headquarters at 19th street and Grand avenue, now in the 20th year of occupancy.

The address was 1812 State street from 1926 to 1943, and earlier locations were Niedringhaus and Delmar avenues, and 1839, 1831 and 1825 State street. In the presentation of the building to Capt. Gladys Booser, it was noted that the Salvation Army unit had been operated around-the-clock to serve coffee and sandwiches to those helping place sandbags at the levee to prevent the Mississippi River from overflowing its banks.

Led by Adjutant William Buenger, the local corps had aided at the Cairo, Ill., flood headquarters in 1937. Mrs. Buenger, meanwhile, and a group of local members collected clothing and funds in a door-to-door drive here to help the flood victims.

**Explosion, Fires Here**  
The Salvation Army maintained an all-night vigil at the Nestle Co. plant explosion in August 1961 and also operated canteen facilities at the Apple Building fire in 1945, during three major office building fires at 19th and State streets, and at the Lincoln Place fire of 1953. Not all of the activities are as dramatic, but some are regarded as being just as rewarding. The corps is proud to have sent nine cadets to the Salvation Army training college—Harvey Stewart, Margaret Lord, Frances Pittman and Addi Mae Martin in

1923, Helen Rutledge in 1930-31, Lois Hull in 1950-51, Jack Vaughan in 1953, Marion Halderman in 1954 and Shirley Vaughan Bailey in 1956. The Granite City corps was founded in the spring of 1922. Its current Corps Cadet counselor, Mrs. Thelma Stover, is the granddaughter of one of the first four soldiers enrolled in the corps, James Tharp. The initial officer-in-charge was Capt. Mary McBride.

**98-Year History**  
Known as the champion of people in need in the U. S., ever since it was established in 1880, the Salvation Army has chosen as the theme of its 1963 anniversary "With Heart to God and Hand to Man."

In addition to the anniversary observance during its regular service Sunday, the Granite City Corps is setting up a display at the First National Bank in Midway and also plans a display in Granite City.

Founded in 1865 by William Booth, the Salvation Army is headed internationally by Gen. Wilfred Kircheng, Commissioner Samuel Hepburn commands the 11-state midland territory and Brigadier Gordon Foubister heads the St. Louis division.

#### Deaconess Hospital Nurses Graduating

Miss Barbara Jean Corn, a daughter of Mr. and Mrs. James Corn, 225 Briarcliff, and Miss Carol Kruskopf, whose parents are Mr. and Mrs. Theodore H. Kruskopf, Rural Route One, will be graduated June 29 from Deaconess Hospital School of Nursing, St. Louis.

Graduation exercises will be held in the Deaconess Gardens of the hospital at 10 a. m. with 55 nursing students and three students from the School of Ray participating. Joseph P. Cosand, president of the Junior College District in St. Louis and St. Louis county, will be the principal speaker.

#### Blood Needed For Open Heart Surgery

Joseph W. Kovar, 3204 Rodgers-avenue, is making an appeal for an additional 11 blood donors for his wife, Sylvia, 39, who is to undergo open heart surgery at Jewish Hospital, St. Louis, on July 2.

Kovar, a truck driver for Granite City Steel Co., has 14 donors, but 25 pints of Type A Positive, fresh blood are needed by June 15.

His wife, who is employed at CHIT's Grill, has a heart leakage, which is to be corrected by surgery. Kovar said he may be contacted at TR 7-4818, or at the home of a friend, TR 6-5958.

**BRIDAL SHOWER HONORS**

Mrs. SANDY BONO

Mrs. Sandy Bono was honored with a miscellaneous, bridal shower Sunday afternoon at the Lincoln Plaza Community Center, given by her aunts, Mesdames June Eavenson, Sue Champion and Elva Mae Spiceland.

Pink and white carnations in an arrangement to hold an open pink fan were used as table decorations at the guest tables. The main serving table held an arrangement of pink and white with a white satin pillow in the center holding a set of wedding rings. Along the front of the table were pink bows with small sprigs of lily of the valley.

Games were played and prizes went to Mesdames Dorothy Kowalk, Morris Mobley, Kathryn Bailey and Peggy. The bride and groom were Mrs. Patti Twilman and her mother, Mrs. Bailey, as she opened the gifts. The bride and groom were Mrs. Patti Twilman and her mother, Mrs. Bailey, as she opened the gifts.

**Endorses Western Rodeo**

The Mitchell Kiwanis Club discussed plans for the western rodeo to be presented at 8 p.m. May 18-19 at the Tri-City Speedway near Mitchell during a dinner meeting Monday at Smith's restaurant.

Tickets may be obtained from any member of the club or at the gate at \$1 for adults and 50 cents for children six to 12 years old.

The club was informed by the New Jersey district of the candidacy of Charles A. McWiney, county officers of the National Association of International President and by the Georgia district of the candidacy of Dr. R. Glenn Reed Jr. for the office of international vice-president at the forthcoming international convention to be held in Atlantic City, N. J.

Eight members and a guest, O. B. Fulton of O'Fallon, district lieutenant governor, attended the meeting which was conducted by Roy Green, club president.

**NFO Endorses Wheat Program; Vote May 21**

The 24th district and Madison county officers of the National Farmers Organization endorsed the wheat referendum to be conducted May 21 during a meeting Monday night at Edwardsville.

A full report will be made to members at a county meeting at 8:30 p.m. Monday in the Hamei community center.

The NFO believes that the vote in the wheat referendum is not and should not be a partisan issue. It is a farm income issue.

The NFO realizes the basic problems facing the American farmer is the fact that he goes to the market place and says "what you give me".

The NFO is making every possible effort to get its collective bargaining power on the Mopah Bible school at the earliest possible date, but at the same time the NFO has also supported any legislative program or administrative policy that will help to increase the responsibility of any dedicated farm organization striving to get a higher net income for the farmer.

"A 'Yes' vote in the wheat referendum will increase farmers' bargaining power and farm income."

Mrs. Plantz' parents, Mr. and Mrs. Steve Grakindoff, paternal grandparents are Mr. and Mrs. J. H. Grakindoff, also of Madison, and Ann and Cynthia Lynn are their other daughters.

**RICH NATURE HIKE**

Cub Kienicki, Kevin McGarran, Kenneth Bank, Kevin Melloy, Tom Friend and Stanley Lapinski, cub scouts of Den Three, and Andrew Ratkiewicz, son of the leader, Mr. Anthony Ratkiewicz, took a two-and-a-half-hour nature hike Monday afternoon.

The boys liked to Horseshoe Lake and enjoyed a winner most prior to returning. Mrs. Ratkiewicz reminded the boys of the Farmington Sunday, May 30 Mass at St. Mary's Church this Sunday, when the scouts are to be in uniform.

# Open House Saturday

## Depot Here 21 Years—Could Have Been 46

The open house at the Granite City Army Depot on Saturday could be marking the 46th anniversary of the installation instead of the 21st.

Blueprints that gave the original layout were drawn in 1917. The site was actually selected during world war I.

But construction was suspended indefinitely because the "war to end all wars" ended. However, world war II started and the plans were revived. In April 1942, ground was broken and in August 1942 the first contingent of personnel arrived to begin operation of an Engineer Depot.

Expansion was rapid. Operations reached a peak in July 1945, when over 52,000 tons of material, requiring 4500 railroad cars were received and shipped.

Top Employment—3200 The record employment of 3200 was reached in 1944. In addition, 1500 officers and over 2000 enlisted men were trained for engineer supply and maintenance functions.

The Korean war increased activities following a war II drop-off, and by 1954, operations returned to a peacetime level.

The depot was designated a permanent installation after war II. Construction of additional facilities increased the efficiency of operations and the capability to assume additional functions and workloads. Modern barracks for enlisted personnel and family housing for commissioned and non-commissioned personnel were added.

The depot presently employs about 1200 civilians and conducts an annual training program for over 600 military personnel.

### \$6,000,000 Payroll

Civilian and military payroll is in excess of \$6,000,000 after deductions. And the deductions include over \$345,000 a year for U. S. Savings Bonds. In addition, contributions are made by the government toward its employees' benefit programs, amounting to over \$500,000 annually for insurance and retirement.

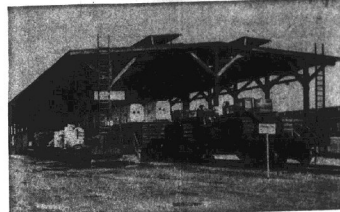

Commercial carriers are paid over \$350,000 for freight hauling, while an annual expenditure of about \$2,032,000 is made for local purchases of equipment, supplies, utilities and services.

### Beneficial Location

The principal factor in the depot's location is the beneficial transportation facilities. It is adjacent to the nation's second largest transportation complex—rail, water and highway. Two major airfields are readily available.

The depot's missions are—(1) Supply of heavy construction supplies and equipment. (2) Maintenance of heavy construction equipment, including electronic and cryogenic items. (3) Training military units in the techniques of supply and maintenance.

(4) Packaging, with technical information on preservation, packaging and packing of heavy construction supplies and equipment developed and disseminated to procurement agencies, troop units, depots, port facilities and

**PREPARATION AND SHIPPING** of materials within the area of its supply responsibility is another mission of the depot. In this railway shed heavy equipment is boxed, banded or loaded in such a manner as to insure arrival at its destination in operation condition.

### Open House Program

Open house activities will begin at 10 a.m. Saturday and will continue until 4 p.m. when a retreat ceremony will be presented by troops of the 393rd Engineer Group.

Parking is available inside the installation on the lot south of the headquarters building. Bus tours will start at 10 and 11 a.m. and 1, 2 and 3 p.m. from the equipment exhibit area near Building 100.

The open house also will include walking tours of a troop mess hall, day room, service club and library.

A drill demonstration will begin at 3:45 p.m. in front of the headquarters building, and the retreat ceremony will begin at 4 p.m. with the firing of the depot's Civil War cannon.

other governmental agencies.

(3) Engineer field maintenance of Nike-Hercules batteries located in the area.

### Depot Statistics

The depot has two locomotives operating on 29 miles of railroad, store, cafeteria, snack bars, there are 19 miles of paved roads to accommodate motor vehicles. The depot has its own ice club, crafts shop, theatre, recreation area, auto hobby shop, swimming pool, bowling alley and golf course.

DEPOT COMMANDER, Col. John M. Ansley, who has invited the public to an open house of the depot from 10 a.m. to 4 p.m. Saturday, in conjunction with the observance of Armed Forces Day.

The depot also has its own police function, a dispensary, post exchange, commissary dairy

### TB X-Ray Bus To Be In Madison Saturday

The Madison County Tuberculosis Association will provide free chest x-rays for the public on Saturday in Madison.

The x-ray bus will be stationed in front of 516 Madison avenue from 9:30 a.m. to 1 p.m. and from 2 to 6 p.m. X-rays also will be given elsewhere in the Quad-Cities in June.

The association is urging everyone to take advantage of this year's program. If an x-ray is negative, cards will be sent to the persons. All x-rays noting a chest condition will be referred to personal physicians. The individual then will receive a letter asking him to contact the physician for the report.

Last year's chest x-ray survey revealed 633 chest conditions in Madison county, including seven active cases of tuberculosis and 24 chest tumors.
